*Covered Glory* Audrey Frank,2019-08-20 Hiding behind the Muslim woman s veil is a heart longing for honor but often covered in shame Meeting her will transform us all Muslim women are coming out of hiding and telling their stories With courageous voices they disclose tales of shame and a fierce desire to be valued We hold our breath as they whisper accounts of Jesus dressed in light coming to them in dreams offering honor in the place of shame freedom instead of oppression Their tales narrate a secret reality for all of us We all long to be known to be valued to be rescued We all are in desperate need of a Savior In *Covered Glory* you will meet Muslim women living in a culture with an honor shame worldview that perpetuates their shame As you discover how these women find freedom when they uncover their true identity you will find that shame affects each one of us Learn that while shame tells us we are unworthy truth tells us we were made to be loved shame tells us we are nobody Jesus tells us You are somebody to me shame tells us we are broken God s Word tells us healing comes from him It is only when we begin to understand the honor shame gospel that we are set free And so is our Muslim neighbor when we learn to tell her of the love of Jesus in a language she understands the language of honor and shame

Transforming From Christianity to Islam Janet Testerman,2014-06-19 Why would a Western woman who is free to dress and behave as she pleases convert to a religion immersed in a culture that requires her to cover her hair dress modestly and reassess her fundamental beliefs These are personal accounts of eight Western women who radically changed their lives by converting to Islam or marrying a Muslim man Some women assigned deep meaning to the headscarf while others found dressing hijab to be freeing In every case however peer pressure social pressure and male pressure bore profoundly on their decisions perhaps overpowering their ability to practice hijab purely from their hearts Again the dichotomy between voluntary genuine devotion and conforming behavior influenced on the women s actions and thoughts **Our Moslem Sisters** Annie Van Sommer,Samuel Marinus Zwemer,1907 **Behind the Veils of Yemen** Audra Grace Shelby,2011-09 Compelling memoir of an American woman and her family moving to Yemen learning to live in the Islamic culture and offering hope to Muslim women
