## Ministry Gifts:

**Understanding The Fivefold Ministry** Matthew D Green,2015-01-26 The ministry gifts are alive and well today When Jesus ascended to heaven He left gifts behind apostles prophets evangelists pastors and teachers But their operation has often been surrounded by neglect confusion and outright controversy Jack Hayford Cindy Jacobs Reinhard Bonnke C Peter Wagner Fuchsia Pickett Tommy Barnett and many others combine decades of experience reflection and biblical study to uncover the true purpose for the fivefold ministry Find answers to these questions regarding the release and shepherding of the fivefold ministry Who are the modern day apostles and why does the church still need them What are the marks of an authentic prophet and how should we judge prophecy How do you know if you're called to be an evangelist and what's the most effective method for leading an unbeliever to Christ Why are teachers so influential and how do we discern false doctrine What is the role of the pastor in the twenty first century and how is it changing How do the five ministry gifts cooperate in the local church and who's in charge when all five are active God is building His body around the world in the most unexpected ways through the most unexpected people Take a self test to find out where your gifts lie and what area of ministry God may have custom designed you for *The Gifts and Ministries of the Holy Spirit* Lester Sumrall,2005-02-01

You Can Have the Power of the Holy Spirit The gifts of the Spirit can destroy any force the devil might use against Christians You are a candidate for the gifts of revelation power and inspiration They will function anywhere right where you are now Dr Sumrall discusses subjects including The charismatic renewal The weapons of our warfare How you can receive the gifts The devil's counterfeit The purpose of ministry gifts You can be included in the great outpouring of God's Spirit **The**

**Five-Fold Ministry Gifts** Clement C. Butler,2021-04-09 Why does the Lord appoint apostles prophets evangelists pastors and teachers to the church Ephesians 4:12 says they are bestowed for the perfecting of the saints the work of the ministry and to edify the body of Christ However these three objectives are best understood in the context of God's purpose His purpose provides the why for understanding the five fold ministry gifts or the gifts of Christ From before the foundation of the world the Father predetermined spiritual blessings in Christ for all humanity In essence His purpose is one of unity The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons who would share His very nature and be like Him In short the Father's simply wanted a family born of His nature who would reflect His character and on whom He could bestow an eternal inheritance Therefore the gifts of Christ exist in accordance with this purpose Indeed each gift has individual responsibilities but collectively they serve to bring the entire body of Christ into maturity a unified body that manifests the Father's glory or character The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world This book discusses all these elements in detail and brings the Father's purpose for the church into perspective in relation to the gifts *The Ministry Gifts of the Holy Spirit* Billy M. Lauderdale,2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit Most people know that it is a part of the Holy trinity some may even

know about the baptism of the Holy Spirit however most people rarely go beyond that The Holy Spirit is significantly more important than most Christians understand It's not only important to us but the Church as well Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit We read in Ephesians 4:11 that the Lord gave us gifts to be used These gifts are known as ministry gifts they are to be used to perfect the church They were all but forgotten however they were restored to the church by the reawakening of the charismatic movement Like all things of God the Devil has a counterfeit which had led to much confusion and misunderstanding it has also led to much abuse Today He is restoring a biblical understanding of what these roles and callings mean The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body However when the gifts are recognized and they start taking their rightful places the Church can come into its maturity Having all five offices in place in the church does not mean it is free from all work and responsibilities on the contrary It will find itself in a place of growth and equipping that nobody has ever dreamed possible Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations doing the same works He did and even greater That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever Over the years there have been volumes written on the subject of spiritual gifts Lists have been compiled and test written and administered with various degrees of success and understanding Even with all the differing opinions from various people the study and application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership Once you understand what your gifting is it will bring a greater sense of pleasure purpose and security In today's Church the gifts of ministry are needed more than ever however we don't see them in action very often some people may even have gone their entire life and not see the gifts working Some may have a general idea of what they are while others may not know what they are Most who do know of the Gifts of the Spirit are often confused about them How often does someone misunderstand how they work and confuse the use of them Such as the prophet and the gift of Prophecy both are gifts of the Spirit but each is different in how they are used For example all prophets have the gift of prophecy and can use the gift of prophecy but not all people who can prophecy are prophets With the reawakening of the charismatic movement the gifts of the spirit Spiritual gifts has been reawakened and brought back into the church It is sad to say that in today's church the use of Spiritual gifts are the source of much controversy and confusion among believers Some churches and/or their denominations won't allow them because they don't know them or they fear them This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church Even today as in the early church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what

the gifts are and how they can benefit the Church     **Each One a Minister** William J. Carter,2003-10-01 Each One a Minister a revised and enlarged edition of Carter s previous book by the same title begins with a 6 session study of Ephesians Carter engages the reader in discovering the meaning of church ministry and gifts from the early church up to the present As a follow up to the Bible study readers and study groups look at ways in which God s gifts are practical as well as spiritual Four ministry categories closely connected to the congregational primary task receive relate equip send are identified Scripture readings activities and ways to implement specific ministries are suggested Designed to encourage individuals to discover God s call to ministry in their own lives Each One a Minister leads toward practical ways of using gifts in ministries in our congregations and in our communities An ideal resource for clergy lay leaders study groups and others seeking to identify and use their gifts in meaningful ways Discover Your Spiritual Gifts Leader s Guide is also available

**For the Perfecting of the Saints** Dr. Jennifer Gilbert,2014-05-27 Many churches lack a structured Christian Education program outside of the regular Sunday school and midweek Bible Study which leaves a large void in the lives of believers and forces them to adopt erroneous views and visions for the personal ministries and gifts For the Perfecting of the Saints seeks to fill that void and empower individual Biblical based education including revelatory information revelation to make their lives more relevant application This practical guide assists in addressing the ministry gift and the impact that it has on ones personal professional and ministerial life Author Jennifer Gilbert explains the five ministry gifts in great depth and detail Pastor teacher evangelist and Apostle She examines them from the Biblical standpoint in addition to applying her thirty years of experience in the ministry and her fifteen years in educationspiritually and professionally combined She considers the characteristics both personally and spiritually that are attributes of each gift Further she explains many of the ways that one can develop their God given gift and calling the danger of detouring from their calling and most importantly the manners by which each one operates With the publication of For the Perfecting of the Saints there is no longer an excuse for a lack of knowledge because there are in depth explanations and examinations of Biblical examples that will enable anyone to use their God given gifts effectively

**The Spiritual Gifts (Part 1): The Ascension Gifts of Christ and the Functional**  
Timothy K Williams,2003-10     The Dynamics of Spiritual Gifts William J. McRae,1983-02 Many Christians have settled for far less than God intends because they have never discovered or developed their spiritual gifts Exceedingly few believers are conscious of possessing a spiritual gift and even fewer know what their gift is or what to do about it An understanding of Ephesians 4 11 16 will change your entire perspective on Christian service     *The Ministry Gifts* Kenneth E. Hagin,1992-09

**What Are Spiritual Gifts?** Kenneth Berding, Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated Rarely in our search do we actually ask what should be our central question What are spiritual gifts Kenneth Berding believes we have misunderstood spiritual gifts which has led to a misguided search His convincing and readable study suggests that the Holy Spirit does not give special abilities the conventional view but rather

In Spiritual gifts Church Under Siege This book is part of a 3 book series Charles laments over how ministry gifts which were intended to prepare saints have been woefully neglected He argues that believers are granted abilities and leaders are needed who are willing to invest in them He moans that those with ministry gifts of the Lord Jesus Christ have behaved as if they are not committed to training individual believers The Black pulpit has ignored the pews in the department of gift identification and developing He pleads with the leaders as ministers of the Lord Jesus Christ to fulfil the number one functional dynamic in this life In Your Gift from God the Holy Spirit Matters Book 1 Charles takes the reader on a hunt to explore how the individual believer is granted a supernatural gift He persuades and convinces the believer to discover his individual strategic gifting He defines and illustrates the gifts and tackles the controversial Charles says Ministry gifts were given to prepare the saints for the work of service and not to do the work of the ministry He shows how Pentecostal Evangelicals Charismatic Evangelicals and Traditional Evangelicals have been uniquely gifted and what must be discovered at the individual level according to the divine strategy of God the Father God the Son and God the Holy Spirit In Spiritual Gifts Welcome to the Church Book 2 Charles defines and describes each gift He persuades the believer to connect with individual gifting according to the will of God the Father God the Son and God the Holy Spirit He urges that every believer is entrusted with a gift that can be known

and used to benefit many     *Unraveling the Mystery of the Motivational Gifts* Rick Walston,2005-05-02 The first thing that you must learn about spiritual gifts is that you have one You may not realize it but you function in your gift daily God has equipped each member of the Body of Christ with a special ability to do His will This special ability is called a spiritual gift Many readers of this book will feel a sense of discovery of who they are in Christ They will discover their spiritual gifts for the first time and they will learn how to move forward in the ministry that God has entrusted to them
