Oden, 2000-09-01 Classic Pastoral Care provides a topical arrangement of passages from classic Christian writings offering guidance on all major topics of pastoral theology The four volume set features writings from more than two hundred notable Christian authors from Abelard and Ambrose to Isaac Watts and Zwingli arranged in thirty topical sections Volume two Ministry through Word and Sacrament reviews the range of pastoral tasks pastoral care through preaching and worship pastoral care through the ministries of baptism and Eucharist the pastor as educator of the soul the teaching office the office of administration i e of that which moves toward ministry and the nurturing of Christian community in mission to the world *Ministry to Word and Sacraments* Bernard J. Cooke, 1980 In five major parts this volume surveys the views of ministry regnant in all of the major time periods of Church history Each part begins again at the beginning in order to look at the literature and traditions of Christianity from a different perspective Ministry Through Word and Sacrament Thomas C. Oden, 1989-01-01 Augustine Through the Ages Allan Fitzgerald, John C. Cavadini, 1999 This one volume reference work provides the first encyclopedic treatment of the life thought and influence of Augustine of Hippo A D 354 430 one of the greatest figures in the history of the Christian church The product of more than 140 leading scholars throughout the world this comprehensive encyclopedia contains over 400 articles that cover every aspect of Augustine's life and writings and trace his profound influence on the church and the development of Western thought through the past two millennia Major articles examine in detail all of Augustine's nearly 120 extant writings from his brief tractates to his prodigious theological works For many readers this volume is the only source for commentary on the numerous works by Augustine not available in English Other articles discuss Augustine's influence on other theologians from contemporaries like Jerome and Ambrose to prominent figures throughout church history such as Gregory the Great Aquinas Luther Calvin and Harnack Augustine's life the chaotic political events of his world and the church's struggles with such heresies as Arianism Donatism Manicheism and Pelagianism Augustine's thoughts about philosophical problems time the ascent of the soul the nature of truth theological questions guilt original sin free will the Trinity and cultural issues church state relations Roman society Made Healthy in Ministry for Ministry C. John Weborg, 2011-08-11 Clarity of vocational practice is key to clergy health The center of clergy practice is the ministry of Word and Sacrament What takes place at the pulpit font or pool and table is the divine intent and extent of ministry While this may sound in house and parochial in the extreme it is both priestly and prophetic John Weborg's argument in this book is that the clergy can be made healthy in ministry for ministry by maintaining vocational clarity The priestly and prophetic acts of Word and Sacrament address the clergy before they address the congregation Hence what is offered here is a spirituality through practices the clergy are hearers before preachers baptized before baptizers communicants before celebrants Neither a how to book nor a work of pastoral theology *Made Healthy in Ministry for Ministry* is aimed toward helping clergy appropriate the gifts and graces of

the practices they are called and authorized to carry out **International Handbook of Ecumenical Diakonia** Godwin Ampony, Martin Büscher, Beate Hofmann, 2021-08-10 This book was developed to join key resources on biblical theological foundations regional and confessional expressions new themes trends educational approaches and curriculum models for diakonia and Christian social services which can enrich current training courses and widen the horizon by inter contextual and inter cultural perspectives **Together in Mission and Ministry** ,1993 The report of the conversations between the British and Irish Anglican Churches and the Nordic and Baltic Lutheran Churches this text offers the vision of these 12 Episcopal churches carrying out their mission in communion with each other served by a reconciled common ministry The supporting essays offer information on episcopacy in each of the churches concerned **Promise and Presence** John E. Colwell, 2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God's gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord's Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent *What Shall I Say?* Evangelical Lutheran Church in America. House of Bishops. Working Party, 2001 For Such a Time as This takes a radical look at the ministry of Deacons in the Church It brings biblical theological and ecumenical perspectives to bear on a ministry that many believe has not yet realised its full potential Diakonia is reinterpreted in the light of recent biblical research as fundamental commissioning for ministry one that expresses the essential nature of the whole Church and underlies all ordained ministry Deacons are seen as go between or link persons in the mission space between the Church's liturgy and the needy world This report of a Working Party of the House of Bishops set up by the General Synod also comments on the implications for lay ministry and proposes a concrete job description or ministerial profile for a renewed diaconate one that is not merely transitional to the priesthood The Report argues that the Diaconate comes into its own at times of social change and cultural crisis and that the time is now right to renew the diaconate for the sake of mission **Sermons on the Sacrament** Robert Bruce, John Laidlaw, 1901 Robert Bruce's Sermons on the sacrament, done into Engl., with a biogr. intr. by J.
