Minor League Baseball Standings All North American Leagues Through 1998:

Baseball Team Names Richard Worth, 2013-02-21 Professional baseball is full of arcane team names The Los Angeles Dodgers for instance owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s Residents were trolley dodgers From the Negro Leagues there were the Pittsburgh Crawfords sponsored early by the Crawford Bath House and Recreation Center from the minors the Tucson Waddies slang for cowboy and later the Montgomery Biscuits for the would be concessions staple from overseas the Adelaide Australia Bite a shark reference but also a pun for bight and the Bussum Netherlands Mr Cocker HCAW the sponsoring restaurant chain followed by the acronym for the official team name Honkbalclub Allan Weerbaar This comprehensive reference book explains the nicknames of thousands of major and minor league franchises Negro League and early independent black clubs and international teams from 1869 through 2011 **The Encyclopedia of Minor League Baseball** Lloyd Johnson, Miles Wolff, 2024-12-26 When the pandemic hit in early 2020 baseball's minor leagues cancelled their seasons A few independent leagues tried abbreviated schedules but all Major League affiliates shut down for the first time in more than 120 years Since then Major League Baseball has taken over governance of the minors and leagues and teams have been eliminated In its fourth and final edition this book gives a complete accounting of the minor leagues as they were known from the late 19th century through 2019 *Historical Dictionary of Baseball* Lyle Spatz, 2012-12-21 Dating back to 1869 as an organized professional sport the game of baseball is not only the oldest professional sport in North America but also symbolizes much more Walt Whitman described it as our game the American game and George Will compared calling baseball just a game to the Grand Canyon being just a hole Countless others have called baseball the most elegant game and to those who have played it it's life The Historical Dictionary of Baseball is primarily devoted to the major leagues it also includes entries on the minor leagues the Negro Leagues women's baseball baseball in various other countries and other non major league related topics It traces baseball in general and these topics individually from their beginnings up to the present This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on the roles of the players on the field batters pitchers fielders as well as non playing personnel general managers managers coaches and umpires There are also entries for individual teams and leagues stadiums and ballparks the role of the draft and reserve clause and baseball's rules and statistical categories This book is an excellent access point for students researchers and anyone wanting to know more about the sport of baseball *The Postwar Yankees* David George Surdam, 2021-12-13 The Yankees and New York baseball entered a golden age between 1949 and 1964 a period during which the city was represented in all but one World Series While the Yankees dominated however the years were not so golden for the rest of baseball In *The Postwar Yankees Baseball's Golden Age Revisited* David G Surdam deconstructs this idyllic period to show that while the Yankees piled on pennants and World Series titles through the 1950s Major League Baseball attendance

consistently declined and gate revenue disparity widened through the mid 1950s. Contrary to popular belief the era was already experiencing many problems that fans of today's game bemoan including a competitive imbalance and callous owners who ran the league like a cartel. Fans also found aging decrepit stadiums ill equipped for the burgeoning automobile culture while television and new forms of leisure competed for their attention. Through an economist's lens Surdam brings together historical documents and off the field numbers to reconstruct the period and analyze the roots of the age's enduring mythology examining why the Yankees and other New York teams were consistently among baseball's elite and how economic and social forces set in motion during this golden age shaped the sport into its modern incarnation.

Baseball America's Almanac Baseball America, Baseball America Staff, 1999.
