Minor Characters Joyce Johnson, 1984 Jack Kerouac Allen Ginsberg William S Burroughs LeRoi Jones Theirs are the names primarily associated with the Beat Generation But what about Joyce Johnson nee Glassman Edie Parker Elise Cowen Diane Di Prima and dozens of others These female friends and lovers of the famous iconoclasts are now beginning to be recognized for their own roles in forging the Beat movement and for their daring attempts to live as freely as did the men in their circle a decade before Women s Liberation Twenty one year old Joyce Johnson an aspiring novelist and a secretary at a New York literary agency fell in love with Jack Kerouac on a blind date arranged by Allen Ginsberg nine months before the publication of *On the Road* made Kerouac an instant celebrity While Kerouac traveled to Tangiers San Francisco and Mexico City Johnson roamed the streets of the East Village where she found herself in the midst of the cultural revolution the Beats had created *Minor Characters* portrays the turbulent years of her relationship with Kerouac with extraordinary wit and love and a cool critical eye introducing the reader to a lesser known but purely original American voice her own

Minor Characters Joyce Johnson, 1999-07-01 Named one of the 50 best memoirs of the past 50 years by The New York Times Winner of the National Book Critics Circle Award Among the great American literary memoirs of the past century a riveting portrait of an era Johnson captures this period with deep clarity and moving insight Dwight Garner The New York Times In 1954 Joyce Johnson s Barnard professor told his class that most women could never have the kinds of experiences that would be worth writing about Attitudes like that were not at all unusual at a time when good women didn t leave home or have sex before they married even those who broke the rules could merely expect to be minor characters in the dramas played by men But secret rebels like Joyce and her classmate Elise Cowen refused to accept things as they were As a teenager Johnson stole down to Greenwich Village to sing folksongs in Washington Square She was 21 and had started her first novel when Allen Ginsberg introduced her to Jack Kerouac nine months later she was with Kerouac when the publication of *On the Road* made him famous overnight Joyce had longed to go on the road with him instead she got a front seat at a cultural revolution under attack from all sides made new friends like Hettie and LeRoi Jones and found herself fighting to keep the shy charismatic tormented Kerouac from destroying himself It was a woman s adventure and a fast education in life What Johnson and other Beat Generation women would discover were the risks the heartache and the heady excitement of trying to live as freely as the rebels they loved

Characters and Characterization in the Book of Samuel Keith Bodner, Benjamin J.M. Johnson, 2019-12-12 Characters provide the entry point to the story of the books of Samuel just as they do in all stories In this book the history of research into characters in Samuel and the role s they play in the text are examined and discussed The contributors look at the interpretative function of characters in the Samuel stories and at issues of textual composition and what profiling of characters within the text can add to theories surrounding this issue Specific characters are also profiled and studied The character of God is examined is God kind towards Israel Is God loving and worthy to be praised 2 Sam 22 4

Characters such as Hannah are examined from the perspective of literary type as well as Eli as priest and Samuel himself as prophet. All of the major characters within the books are studied including David and Jonathan and chapters also treat the minor characters and offer information on their roles in the structure of the text. The contributors provide a range of different approaches to characterization according to their specific expertise and provide a thorough handbook to the characters in Samuel and their roles in the literary make up of the text.

The One vs. the Many Alex Woloch, 2009-02-09 Does a novel focus on one life or many? Alex Woloch uses this simple question to develop a powerful new theory of the realist novel based on how narratives distribute limited attention among a crowded field of characters. His argument has important implications for both literary studies and narrative theory. Characterization has long been a troubled and neglected problem within literary theory. Through close readings of such novels as *Pride and Prejudice*, *Great Expectations*, and *Le Père Goriot*, Woloch demonstrates that the representation of any character takes place within a shifting field of narrative attention and obscurity. Each individual, whether the central figure or a radically subordinated one, emerges as a character only through his or her distinct and contingent space within the narrative as a whole. The character space as Woloch defines it marks the dramatic interaction between an implied person and his or her delimited position within a narrative structure. The organization of and clashes between many character spaces within a single narrative totality is essential to the novel's very achievement and concerns striking at issues central to narrative poetics: the aesthetics of realism and the dynamics of literary representation. Woloch's discussion of character space allows for a different history of the novel and a new definition of characterization itself. By making the implied person indispensable to our understanding of literary form, this book offers a forward-looking avenue for contemporary narrative theory.

Moses as a Character in the Fourth Gospel Stanley Harstine, 2002-10-01 Did first-century Mediterranean readers of the Fourth Gospel have comparable literary examples to inform their comprehension of Moses as a character? In addressing this question, Harstine's study falls into two parts. The first is an analysis of the character Moses as utilized in the text of the Fourth Gospel. The second is an examination of other Hellenistic narrative texts in which the character of Homer is also considered as another important legendary figure with whom the readers of the Fourth Gospel would have been familiar.
