The Early Minor Prophets Big Dream Ministries,2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God s redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago The scope of The Early Minor Prophets Hosea Joel Amos Obadiah Jonah and Micah is broad indeed Chronologically they span more than four centuries from approximately 848 to 425 BC Geographically they touch Israel Judah Syria Moab Ammon Edom Egypt Ethiopia and Assyria Thematically they explore such topics as love mercy compassion wrath judgment holiness obedience disobedience hope repentance and many more As you begin your study of these books be prepared for gripping and graphic portrayals of both God and man Hosea s picture of God s love for his adulterous people symbolized by the prophet s love for his adulterous wife Jonah s portrayal of himself as a disobedient runaway prophet pursued by a patient God Amos s colorful visions of God s judgment that would come because of his continued disobedience and Obadiah s classic portrait of pride The setting of these books may be ancient but their message is modern You will meet the eternal God in them and you will meet yourself

Welcome to the Minor Prophets whose message is major **The Word of God Has Not Failed** Sherwood, Aaron,2015-11-20 In The Word of God Has Not Failed Sherwood presents a fresh reading of Romans 9:6-29 focusing on Paul s use of Scripture Since this passage contains such a high concentration of Old Testament quotations it is vital to explore how Paul understood

and interpreted those texts Only then can we really understand the thrust of Paul s message *The Twelve Minor Prophets* Conrad Orelli,1893 [The Publishers' Trade List Annual ,1886](#) *The biblical illustrator ,1965* *Theodicy and Hope in the Book of the Twelve* George Athas,Beth M. Stovell,Daniel Timmer,Colin M. Toffelmire,2021-06-03 This volume explores the themes of theodicy and hope in both individual portions of the Twelve books and sub sections and in the Book of the Twelve as a whole as the contributors use a diversity of approaches to the text s with a particular interest in synchronic perspectives While these essays regularly engage the mostly redactional scholarship surrounding the Book of Twelve there is also an examination of various forms of literary analysis of final text forms and engagement in descriptions of the thematic and theological perspectives of the individual books and of the collection as a whole The synchronic work in these essays is thus in regular conversation with diachronic research and as a general rule they take various conclusions of redactional research as a point of departure The specific themes theodicy and hope are key ideas that have provided the opportunity for contributors to explore individual books or sub sections within the Twelve and the overarching development in both historical and literary terms and deployment of these themes in the collection **[The Methodist Review ,1907](#)**
