From the Khan's Oven Eren Tasar,Allen J. Frank,Jeff Eden,2021-10-11 The volume s unifying theme inspired by the scholarly legacy of Professor Devin DeWeese and indeed the subject of all the contributions is the history of religion among the Muslim peoples of Inner and Central Asia grounded in ignored or hitherto unknown indigenous sources Individually and as a whole the articles pay tribute to DeWeese s pathbreaking contributions to the disciplines of history and religious studies by exploring new approaches and new sources to build on this legacy The volume pays particular attention to DeWeese s point d appui the centrality of Sufism in the region s religious social and literary history The volume s focus is thus twofold to bring a new set of rich largely unused materials into the scholarly domain among specialists on Central Asia and to challenge historians of Islam to recognize that

Mirza Muhammad Haidar Dughlat

Kurkan Mansura Haidar,2025-10-27 Although valuable works have been written on the Mughal dynasty throughout the world Mirza Haidar and his achievements failed to get the attention they rightly deserved perhaps because he was constantly surrounded by a galaxy of luminaries hence the need for this humble corrective endeavour With his multifarious contribution to the development of Kashmir during the short rule of a decade amidst political problems and internecine warfare Mirza Haidar Dughlat Kurkan born in Tashkent in 1499 1500 proved himself to be a remarkable man of many parts a gallant general a good painter a calligrapher born poet excellent administrator and above all a great scholar and historian Despite extensive patronage to scholars and historians no official history was compiled and his own magnum opus *Tarikh i Rashidi* is far from being a focused court history memoir or autobiography Nevertheless a man of his calibre was not doomed to be wiped out from pages of history as he had earned enough through his deeds to immortalize his name and fame There are sufficiently rich accounts and stray references scattered throughout the huge treasure of manuscripts as this volume documents and also enough in his own book about himself and the region of Kashmir Mirza Haidar's worth as a historian of medieval era his wealth of cultural legacy which he bequeathed to the posterity his administrative skills and capabilities with which he regulated and improved administrative affairs in Central Asia and Kashmir and augmented the economic resources his artistic bent of mind which enriched not only the sphere of fine arts and handicrafts but added considerably to the field of urban development literature history and art will never be forgotten
