**Food and Masculinity in Contemporary Autobiographies** Nieves Pascual Soler, 2017-12-12 This book is concerned with food autobiographies written by men from the 1980s to the present. It concentrates on how food has transformed autobiographical narratives and how these define the ways men eat and cook nowadays. After presenting a historical overview of the place of food within men's autobiography this volume analyzes the reasons for our present interest in food and the proliferation of life narratives focused on cooking. Then it centers around the identities that male chefs are taking on in the writing of their lives and the generic models they use: the heroic, the criminal and the hunting autobiographical scripts. This study gives evidence that autobiographies are crucial in the redefinition of the new masculinities emerging in the kitchen. It will appeal to readers interested in Food Studies, Autobiographical Studies, Men's Studies and American Literature and Culture.

**The Restaurant Diet** Fred Bollaci, 2018-01-15 I know of no other book that offers its readers the opportunity to learn how to remain healthy without giving up the pleasure that dining out brings. Monty Preiser, veteran food and wine writer. This is the ultimate guide for people who want to dine out guilt free. In *The Restaurant Diet* author Fred Bollaci, who lost 150 pounds from 330, teaches readers how to read a menu. Explains how to ask important questions of the restaurant staff. Gives guidance on how to have food customized to your dietary needs. Provides insights into converting this into healthy eating at home. As Fred teaches readers how to eat out and lose weight, he reveals the real secret. It's not about preparing clean food at home or going whole and excluding wheat, sugar and dairy. Nor is it about counting calories or grams. It's about WHY one overeats in the first place. After trying every fad diet, Fred devised a four phase eating and exercise plan with the help of his doctor, a nutritionist, a trainer and a psychologist. Featuring recipes from America's most noted restaurant chefs as well as original recipes from Fred's own kitchen. *The Restaurant Diet* is for the nineteen million Americans who love to eat out on a regular basis and the 38 percent who are overweight. *The Restaurant Diet* with its smart educated choices will revolutionize the world of dieting. As a chef and restaurant owner I am excited to be part of this game changing book and way of life where fine dining restaurants are a conscious dieter's friend. Gabriel Kreuther, Michelin star chef and James Beard Award winner.
