Miracle prayers are there to release what is yours in these case riches. Jesus became poor so that we might be made rich. There is nothing in the Word of God that says we are supposed to be poor. There has been a lot of prosperity gospel as we call it in these last days, and unfortunately, people have been abused and lied to concerning money. Pray these miracle prayers to make you rich because you believe that is your inheritance and portion. Pray with faith and expectation. This book is not magic, but it's based on God's word that brings the supernatural into the natural for we live by faith and not by sight.

The Miracle of Answered Prayer John Greener Hallimond, 1916    Signs and Wonders Benedicta Ward, 2024-10-28 This book is concerned with the concepts of Christian holiness and spirituality from Late Antiquity through to the Middle Ages. The first group of articles focuses on the Desert Fathers, the following ones examine key figures in the monastic history of the medieval West dealing above all with England and with Bede and Anselm of Canterbury. Throughout Benedicta Ward's aim has been to find an approach that makes full sense of Christian writings, notably the hagiography miracles and all. This should not be seen as simply as biography nor as a quarry for information on social history, valuable though it may be for those purposes. The primary object of these Lives as of the people about whom they were written was religious to neglect this meaning is to risk fundamentally misunderstanding these texts. Ce volume traite des concepts de la sainteté et de la spiritualité chrétiennes de l'Antiquité tardive jusqu'au Moyen Âge. Le premier groupe d'études se concentre sur les Pères du Desert, les suivants font l'examen de personnages clefs dans l'histoire monastique de l'Occident médiéval s'attachant avant tout à l'Angleterre et Bede et Anselme de Cantorbéry. Benedicta Ward pour propos constant de trouver une approche rendent tout son sens la littérature chrétienne et notamment la littérature hagiographique miracles et autres. Bien que valable ces deux niveaux ceci ne devrait pas être perçu souligne-t-elle en tant que simple biographie ni en tant que source d'information sur l'histoire sociale. L'objet premier de ces Vies est d'ordre religieux toute négligence de ce sens peut mener une compréhension fondamentale de ces textes.    Beyond the Natural Order Nolan Rice Best, 1908
