Miracles Of St Padre Pio:

Padre Pio Sergio Luzzatto,2010-11-23 The first historical appraisal of the astonishing life and times of a controversial twentieth century saint Padre Pio is one of the world's most beloved holy figures more popular in Italy than the Virgin Mary and even Jesus His tomb is the most visited Catholic shrine anywhere drawing more devotees than Lourdes His miraculous feats included the ability to fly and to be present in two places at once an apparition of Padre Pio in midair prevented Allied warplanes from dropping bombs on his hometown Most notable of all were his stigmata which provoke heated controversy to this day Were they truly God given A psychosomatic response to extreme devotion Or perhaps the self inflicted wounds of a charlatan Now acclaimed historian Sergio Luzzatto offers a pioneering investigation of this remarkable man and his followers Neither a worshipful hagiography nor a sensationalist expos Padre Pio is a nuanced examination of the persistence of mysticism in contemporary society and a striking analysis of the links between Catholicism and twentieth century politics Granted unprecedented access to the Vatican archives Luzzatto has also unearthed a letter from Padre Pio himself in which the monk asks for a secret delivery of carbolic acid a discovery which helps explain why two successive popes regarded Padre Pio as a fraud until pressure from Pio worshipping pilgrims forced the Vatican to change its views A profoundly original tale of wounds and wonder salvation and swindle Padre Pio explores what it really means to be a saint in our time

Grandpa had a vast collection of many books about Saints He gathered from Italy written in Italian where he then spent much time each evening reading stories before bedtime to Joseph about Saints that Grandpa had collected As it was told in amazement to little Joseph very specific without missing details Joseph then told his mother and father the Saint's life stories step by step The parents were impressed as to the detail in storytelling by Joseph of such amazing content However mother was not happy with her father Joseph's grandfather speaking and telling the stories to young Joseph and Italian Mother's fear was that little Joseph would go into first grade speaking broken English and mother's intuition was correct For the young boy did have a challenging time in first grade understanding the Irish nun's English and thus he could not grasp reading or writing and was held back in the first grade The relationship between Grandpa and the little boy just became stronger The more mother complained and protested Joseph looked up to his Grandpa As he called him his Knight his hero and Grandpa in turn would tell the little boy over and over the real heroes are these incredibly special Saints they are heroes for God and little Joseph believed his Grandpa Grandfather would say the Saints have a secret code They wake up each day and knowing they are born again to do honorable deeds and give service working for God They are true heroes they pray each day and attend church and communion where they understand fasting and listening to the Holy Spirit who helps them grow their faith Thus giving them special abilities to conduct miracles and many powerful and unexplainable things Now over a half of a century later Joseph gives an impressive tribute to his grandfather for making his way as a 9 year old little boy from a small boat from Italy to America without a passport and leaving his loving parents behind **Padre Pio** Colm Keane, 2013-09-11
