Rice,2000-08 **Biblical Doctrine** John MacArthur,Richard Mayhue,2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master s Seminary Doctrine isn t just for theologians it s important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur s well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why **Miraculous Healing** Henry Frost,2008-03-20 Frost sees all healing as coming from God Miraculous indicating that healing takes place apart from medical norms This classic work on healing examines both success and failure One of the clearest discussions about miraculous healing of which I know Joni Earekson Tada Studies in the Christian Evidences Alexander Mair,1889 Aspects of the Canadian Evangelical Experience George A. Rawlyk,1997 Aspects of the Canadian Evangelical Experience explores Canadian evangelicalism in the nineteenth and twentieth centuries placing it within historical cultural and theological frameworks from publisher description *Tough Questions Christians Ask* David Neff,1989 Jesus told his followers they could not bear everything he had to tell them But he promised the Holy Spirit would lead them into all truth So while the Lord left us with the most important truth of all he also left us with questions puzzles the church has been trying to piece together ever since In *Tough Questions Christians Ask* eleven respected Christian thinkers address a few of these perennial puzzles and share the insights of their years of study and the fruits of their thought **China's Millions** Austin,2007-03-05 Banner carrying Salvation Army marchers stone silent Quakers jumpy Midwestern revivalists and Prayer book Anglicans all made up the mixed multitude sent to the Middle Kingdom by the China Inland Mission CIM in the nineteenth century In *China's Millions* veteran historian Alvyn Austin crafts a compelling narrative of the sprawling history of the China Inland Mission This book introduces readers to a remarkable array of sights from the visionary charismatic sect leader Pastor Hsi to the wordless book a missionary teaching device that fit perfectly with Chinese color cosmology to the opium soaked aftermath of the North China Famine of 187779 Clear readable and well researched *China's Millions* digs deeply into the Chinese and Western past to tell a story of the strange yet hopeful result of two cultures colliding Publisher Roberta J.W. MINTON,2012-10-10 This a simple tale about common people caught up in tragedy in which the power of prayer is invoked quite successfully The story then follows the lives of the children of the principal characters in an amusing depiction of young love and young marriage Beyond the adversity that is overcome the events prove that dreams deferred are better than dreams denied more than conqueror over disease and

disaster Prayer changes things **Holy Communion, a Spiritual Agent of Harmonious Diversity in Christ** Rev. Dr. Kevin Brown,2024-06-21 Martin King said that the most segregated hour in America is Sunday morning alluding to the fractured condition of the universal body of Christ s followers the Church From 2002 to 2010 I had the privilege of serving as the Executive Director of a nonprofit called Operation Breaking Through serving the greater Hampton Roads area The nonprofit was a network of over one hundred local churches One of my primary responsibilities was to promote racial reconciliation and harmony between the diverse ethnic churches In most cases the demographics of these churches failed to reflect their community Most congregations were monoethnic Significant progress was evident after several years of pastoral internal and congregational external panel and group discussions Church pastors were pulpit swapping and churches were partnering in community outreach Up to this point I realized how much blood sweat tears and time I had spent encouraging pastors and congregations to recognize promote and practice fellowship and communal service Though good and somewhat effective these efforts were all physical with very little thought of spiritual application It wasn t until I was required to write a paper for a theology class at North Park that God opened my eyes to a deep understanding of the sacrament of Holy Communion Realizing that all actual Christian denominations and non dominations mandate practicing this sacrament I gleaned from my studies the spiritual connectedness all believers share in this one sacred act and the binding blood ties all believers share with the author of this sacrament In that one epiphany the dividing wall of ethnicity culture and social Christian norms fell Had Christ by instituting this faithful act woven into the DNA of our born again experience the ability for His divine love and truth to break the chains we would inevitably erect through the weakness of our humanity selfishness and pride What if this one DNA trait of holy communion could activate the true koinonia which may lay dormant in believers because of historical traditions and practices erected by human made religion What if God allowed us to see and experience the depth of spiritual love for our brothers and sisters despite our differences What if we saw communion as a remembrance of the greatest act of love known to humanity and allowed that remembrance to kindle and rekindle a spiritual intimacy between believers that overcomes our bias prejudice privilege and any barrier to the believer s oneness in Christ Holy Communion a Spiritual Agent of Harmonious Diversity in Christ explores this more profound understanding and revelatory power to breathe new life into the reading believer **The Miracle Man** Jeff Kurtzer,2015-10-30 The Miracle Man presents the spiritual autobiography of Jeff Kurtzer a man who struggled with a series of challenges including physical and mental abuse early use of drugs and alcohol a diagnosis of manic depression and multiple stays in psychiatric care facilities Born in Long Island New York the author lived through times that remind many of the life of Job the biblical figure who endured extreme deprivation but who clung to his faith in God As he recounts the trajectory of his life Jeff Kurtzer seasons his account with passage from the Scriptures that offered him encouragement at the time His story was written to provide support to all who seek hope and change in their own lives This approach flows from his faith that God sees the truth of ones life and will

work to change it just as he heard in a prophesy prayed over him God has called you to His ministry and all you have been going through will be used to help many people God is going to heal you completely and restore all that the enemy has stolen from you When you face those moments in your lifewhether brief or extendedwhen the obstacles are piling up and all passages to peace seem hopelessly blocked then The Miracle Man can offer you words of encouragement that God does still work miracles in todays world He worked one in the life of Jeff Kurtzer and He can work a miracle in your life too *Subject Catalog, 1979* Library of Congress,1979 *The Christian Advocate ,1900* *A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942 ,1942*
