Miscellany Thomas Asbury Morris,2006-09-01 MISCELLANY CONSISTING OF ESSAYS, BIOGRAPHICAL SKETCHES AND NOTES OF TRAVEL. THOMAS A. MORRIS,2018 *Miscellany Consisting of Essays, Biographical Sketches and Notes of Travel (Classic Reprint)* Thomas A. Morris,2015-07-05 Excerpt from *Miscellany Consisting of Essays Biographical Sketches and Notes of Travel* For many years I have occasionally employed fragments of time in writing for our Church papers My articles are thinly scattered over a broad surface of periodical literature some of them in papers which at the time those articles appeared had but a limited circulation These papers are now rapidly going to waste and most of their early readers have already disappeared from among the living I am not quite willing that all of my articles should remain a dead letter as I have often been requested by different individuals to republish some of them And the only hope now of rescuing them from oblivion is to republish them in a convenient and permanent form In concluding to adopt this plan I act in accordance with the counsel of some of the wisest and best of men within my knowledge This volume as its name suggests consists of different sorts of compositions though it embraces only a small proportion of what I have written and published The work is divided into three parts for the convenience of readers The first part contains short essays on various literary moral and religious topics of a practical bearing to the exclusion of speculative theology About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Miscellany Thomas Asbury Morris,1854 **Miscellany** T a Morris,2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Ladies' Repository** ,1852 Miscellany: Consisting of Essays, Biographical Sketches, and Notes of Travel, by T.A.
