

"The kind of spiritual life and disciplines needed to sustain the Christian life are quiet, repetitive, and ordinary. I often want to skip the boring, daily stuff to get to the thrill of an edgy faith. But it's in the dailiness of the Christian faith—the making the bed, the doing the dishes, the devotion for our enemies, the reading the Bible, the quiet, the small—that God's transformation takes root and grows."

*Waiting on God* Wayne Stiles,2015-08-11 We have all experienced a disconnect between God s promises to us and our everyday reality We wait without understanding why We want to know God s plan so that we can trust it but God so often hides his plan so that we will trust him What can we do in the meantime as we are waiting for an answer a change or a miracle With deep compassion Wayne Stiles helps readers understand why God makes them wait Unpacking the Old Testament story of Joseph Stiles shows readers how to find comfort and opportunity in the time between God s promises and his answers revealing the perspective altering truth that sometimes when we think we are waiting on God he is actually waiting on us Anyone who has felt a disconnect between God s promises and their reality who doesn t know what God wants them to do next or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses
