Naturally Its Good I Cooked It Myself:

Wellbeing and Self-Transformation in Natural Landscapes Rebecca Crowther,2018-09-20 This book explores how natural landscapes are linked to positive mental wellbeing While natural landscapes have long been represented and portrayed as transformative the link to mental wellbeing is an area that researchers are still aiming to comprehend Accompanying five groups of people to rural Scotland the author considers individual external and group motivations for journeying from urban environments examining in what ways these excursions are personally and socially transformative Far more than traversing mere physical boundaries this book illustrates the new challenges experiences territories and cultures provided by these excursions firmly anchored in the Scottish countryside In doing so the author questions the extent to which people s own narratives link to the perception that the outdoors are positively transformative and what indeed does have the power to influence transformation Grounded in extensive qualitative research this contemplative and ethnographic book will be of interest and value to students and scholars of the outdoors and its connection to wellbeing

[Role of Food in Resettlement and Rehabilitation](#) Julie Parsons,Kevin Wong,2025-07-16 Exploring the role of food in enabling people with convictions to live a good life this book examines the tangible ways in which growing food cooking and eating

together has the potential to be both transformative and small steps incremental in facilitating desistance journeys for people with convictions At its most reductive food sustains us physically it s the fuel which keeps us alive Of course emotionally

culturally and socially it does more than that This edited book addresses an under researched area of resettlement and rehabilitation which has real world application to policy and practice in criminal justice and related areas such as mental health physical health employment and education Importantly given the relatability of food growing cooking and eating to the wider public it offers opportunities to connect the desistance journeys and lives of people with convictions to the wider public

The Role of Food in Resettlement and Rehabilitation will be of great interest to students and scholars of criminology sociology social work and food studies It is also important reading for government policymakers in criminal justice and health care social policy and criminal justice practitioners including prison governors social workers and providers of services for people with convictions in custody and community
