Navaho Curriculum Center,1971 A history of the Navajos from their mythological and prehistoric beginnings to the present written by and for the Navajo people **A Diné History of Navajoland** Klara Kelley,Harris Francis,2019-10-22 For the first time a sweeping history of the Din that is foregrounded in oral tradition Authors Klara Kelley and Harris Francis share Din history from pre Columbian time to the present using ethnographic interviews in which Navajo people reveal their oral histories on key events such as Athabaskan migrations trading and trails Din clans the Long Walk of 1864 and the struggle to keep their culture alive under colonizers who brought the railroad coal mining trading posts and finally climate change The early chapters based on ceremonial origin stories tell about Din forebears Next come the histories of Din clans from late pre Columbian to early post Columbian times and the coming together of the Din as a sovereign people Later chapters are based on histories of families individuals and communities and tell how the Din have struggled to keep their bond with the land under settler encroachment relocation loss of land based self sufficiency through the trading post system energy resource extraction and climate change Archaeological and documentary information supplements the oral histories providing a comprehensive investigation of Navajo history and offering new insights into their twentieth century relationships with Hispanic and Anglo settlers For Din readers the book offers empowering histories and stories of Din cultural sovereignty In short the authors say it may help you to know how you came to be where and who you are **The Northern Navajo Frontier, 1860-1900** Robert S. McPherson,1988 [\*\*Navajo Land, Navajo Culture\*\*](#) Robert S. McPherson,2003-01-01 In Navajo Land Navajo Culture Robert S McPherson presents an intimate history of the Din or Navajo people of southeastern Utah Moving beyond standard history by incorporating Native voices the author shows how the Dine's culture and economy have both persisted and changed during the twentieth century As the dominant white culture increasingly affected their worldview these Navajos adjusted to change took what they perceived as beneficial and shaped or filtered outside influences to preserve traditional values With guidance from Navajo elders McPherson describes varied experiences ranging from traditional deer hunting to livestock reduction from bartering at a trading post to acting in John Ford movies and from the coming of the automobile to the burgeoning of the tourist industry Clearly written and richly detailed this book offers new perspectives on a people who have adapted to new conditions while shaping their own destiny **Indian-made** Erika Marie Bsumek,2008 In works of silver and wool the Navajos have established a unique brand of American craft And when their artisans were integrated into the American economy during the late nineteenth century they became part of a complex cultural and economic framework in which their handmade crafts conveyed meanings beyond simple adornment Bsumek unravels the layers of meaning that surround the branding of Indian made When Navajo artisans produced their goods collaborating traders tourist industry personnel and even ethnologists created a vision of Navajo culture that had little to do with Navajos themselves And as Anglos consumed Navajo crafts they also consumed the romantic notion of Navajos as

primitives perpetuated by the marketplace These processes of production and consumption reinforced each other creating a symbiotic relationship and influencing both mutual Anglo Navajo perceptions and the ways in which Navajos participated in the modern marketplace Ultimately Bsumek shows that the sale of Indian made goods cannot be explained solely through supply and demand It must also reckon with the multiple images and narratives that grew up around the goods themselves integrating consumer culture tourism and history to open new perspectives on our understanding of American Indian

material culture **BOOK JACKET A History of Navajo Nation Education** Wendy Shelly Greyeyes,2022-03-01 A History of Navajo Nation Education Disentangling Our Sovereign Body unravels the tangle of federal and state education programs that have been imposed on Navajo people and illuminates the ongoing efforts by tribal communities to transfer state authority over Din education to the Navajo Nation On the heels of the fiftieth anniversary of the founding of the Department of Din Education this important education history explains how the current Navajo educational system is a complex terrain of power relationships competing agendas and jurisdictional battles influenced by colonial pressures and tribal resistance An iron grip of colonial domination over Navajo education remains thus inhibiting a unified path toward educational sovereignty In providing the historical roots to today s challenges Wendy Shelly Greyeyes clears the path and provides a go to reference to move discussions forward

**Reclaiming Diné History** Jennifer Nez Denetdale,2015-09-01 In this groundbreaking book the first Navajo to earn a doctorate in history seeks to rewrite Navajo history Reared on the Navajo Nation in New Mexico and Arizona Jennifer Nez Denetdale is the great great great granddaughter of a well known Navajo chief Manuelito 1816 1894 and his nearly unknown wife Juanita 1845 1910 Stimulated in part by seeing photographs of these ancestors she began to explore her family history as a way of examining broader issues in Navajo historiography Here she presents a thought provoking examination of the construction of the history of the Navajo people Din in the Navajo language that underlines the dichotomy between Navajo and non Navajo perspectives on the Din past Reclaiming Din History has two primary objectives First Denetdale interrogates histories that privilege Manuelito and marginalize Juanita in order to demonstrate some of the ways that writing about the Din has been biased by non Navajo views of assimilation and gender Second she reveals how Navajo narratives including oral histories and stories kept by matrilineal clans serve as vehicles to convey Navajo beliefs and values By scrutinizing stories about Juanita she both underscores the centrality of women s roles in Navajo society and illustrates how oral tradition has been used to organize social units connect Navajos to the land and interpret the past She argues that these same stories read with an awareness of Navajo creation narratives reveal previously unrecognized Navajo perspectives on the past And she contends that a similarly culture sensitive re viewing of the Din can lead to the production of a Navajo centered history

**The Navajo Nation** Peter Iverson,1981-06-03 This history of the Navajo Indians their government and paradoxical existence as a race apart in the increasingly homogenized society of twentieth century America concentrates on the period after 1960 It explores the tensions between the forces of continuity and change that have marked

the last two decades for the Navajo     **The Wind Won't Know Me** Emily Benedek,1992 Told in a sympathetic emotional and powerful way from an Indian perspective and largely in Indian voices this is a riveting account of the ongoing battle between the Navajos and the Hopis over two million acres of disputed Arizona land a disastrous story of United States intervention in Native American affairs 16 pages of photographs     **The Navajos** Peter Iverson,1976 A massive literature exists for the history and culture of American Indians but the quality of that literature is very uneven At its best it compares well with the finest scholarship and most interesting reading to be found anywhere At its worst it may take the form of malicious fabrication It is after all a history of hundreds if not thousands of human communities spread over an entire continent and enduring through millenia of pre Columbian years as well as the five centuries that Europeans have documented since 1492     **Navajo History** Bill P. Acrey,1979 Presents the major areas of Navajo history from 1846 to the present
