Mini Baby Countdown Clock Tracy Guth Spangler, 2005-05-11 Here's just the thing for an excited expectant couple: a miniature digital clock that will count down the time from the moment of conception if it's programmed just right to the baby's birth plus a book of advice for expectant parents on things to do to prepare for the baby's arrival. Slash Palace Morgan Hobbs, 2020-10-12 The newly elected President of the United States Sterling Brawn vows to deliver on his campaign promise to slash regulation and drastically downsize the government, alarming environmentalists while thrilling his cronies in oil, coal, fracking, big pharma, and commercial development. In fact, President Brawn has something even more ambitious in mind: bringing about the actual destruction of the nation's capital, Washington D.C., and establishing emergency rule by a profit-mad elite holed up at the POTUS's private retreat in the mountains of West Virginia. However, the president's plan goes sideways when he inadvertently disturbs the subterranean nest of a clan of mutant hillbillies born of his own illegally dumped toxic waste. As the clock ticks down on the doomsday plan, the vengeful mutants go on a bloody rampage, and only the president's college-aged daughter can save the country.

Zhyahir's Amnesty Nylynne Lynn, 2025-07-15 She rebuilt her life but never stopped feeling the echo of his absence. After a soul-shattering divorce, Nhyshanti rises from the ashes with nothing but grit, grace, and an unshakable vision. From boardroom battles to late-night brainstorming sessions, she helps build a prestigious financial firm from the ground up, grinding her way into a seat at the top. But even with the success, luxury, and respect she's earned, one thing lingers in the shadows of her triumph: him. The one she once loved. The one she lost over pride, pain, and a petty misunderstanding at a millionaire's ranch retreat. When fate spins the block and brings their worlds colliding again, old wounds reopen, passions reignite, and forgiveness becomes more than a choice; it becomes a battle for the heart. As secrets unravel and emotions explode, Nhyshanti must choose: protect the empire she's built or surrender to the love that never truly died. This story is a bold, breathtaking journey of healing, hustle, and heart—a testament to the power of redemption and the kind of love that waits patiently on the other side of forgiveness. You can run from your past but not from your purpose or your soulmate.
