The Lost Masterpiece B. A. Shapiro,2025-06-17 An enigmatic painting The mystery of who painted it A riveting thriller from the bestselling author of The Art Forger In a gripping novel full of plot twists B A Shapiro embeds us in a circle of famous painters in late nineteenth century Paris centering on the anguished Impressionist artist Berthe Morisot the one woman in their midst who never got her due and the story of Morisot s great great great great granddaughter Tamara Rubin who has inherited douard Manet s Party on the Seine a painting that completely upends her life When Tamara inherits Party she discovers a long hidden family history replete with unanswered questions How had it been stolen by the Nazis How had the painting managed to survive three disasters that destroyed every other artwork around it And most of all why had she never known about her ancestor Berthe Morisot As the painting begins to metamorphose into darker and more terrifying versions of itself Tamara s ordinary life is thrown into turmoil What wounds and resentments plagued Morisot and to what lengths will her spirit go for revenge The Lost Masterpiece is a story of love adultery betrayal family secrets and the grueling birth of Impressionism taking the reader on a whirlwind adventure from the streets of Paris in the late 1800s and the studio Berthe Morisot shared with Manet Degas and Renoir to the present day Shapiro brings Berthe s world to life tracing her work through generations of descendants and introducing us to a painter as brilliant and original as her male counterparts across 150 years of triumphs struggles passions animosities and malevolence **Mary Cassatt** Julia Margaret Hicks

Carson,1966 Camille Pissarro Anka Muhlstein,2023-11-28 A Best Book of 2023 by The New Yorker From the acclaimed biographer and author of Balzac s Omelette an engaging new work on the life of the father of Impressionism and the role his Jewish background played in his artistic creativity The celebrated painter Camille Pissarro 1830 1903 occupied a central place in the artistic scene of his time a founding member of the new school of French painting he was a close friend of Monet a longtime associate in Degas s and Mary Cassatt s experimental work a support to C zanne and Gauguin and a comfort to Van Gogh and was backed by the great Parisian art dealer Paul Durand Ruel throughout his career Nevertheless he felt a persistent sense of being set apart different and hard to classify Settled in France from the age of twenty five but born in the Caribbean he was not French and what is more he was Jewish Although a resolute atheist who never interjected political or religious messages in his art he was fully aware of the consequences of his lineage Drawing on Pissarro s considerable body of work and a vast collection of letters that show his unrestrained thoughts Anka Muhlstein offers a nuanced intimate portrait of the artist whose independent spirit fostered an environment of freedom and autonomy **The Masterpiece** Fiona Davis,2019-07-09 In this captivating novel New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal where two very different women fifty years apart strive to make their mark on a world set against them For most New Yorkers Grand Central Terminal is a crown jewel a masterpiece of design But for

Clara Darden and Virginia Clay it represents something quite different For Clara the terminal is the stepping stone to her future It is 1928 and Clara is teaching at the lauded Grand Central School of Art Though not even the prestige of the school can override the public s disdain for a woman artist fiery Clara is single minded in her quest to achieve every creative success even while juggling the affections of two very different men But she and her bohemian friends have no idea that they ll soon be blindsided by the looming Great Depression and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come By 1974 the terminal has declined almost as sharply as Virginia Clay s life Dilapidated and dangerous Grand Central is at the center of a fierce lawsuit Is the once grand building a landmark to be preserved or a cancer to be demolished For Virginia it is simply her last resort Recently divorced she has just accepted a job in the information booth in order to support herself and her college age daughter Ruby But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor her eyes are opened to the elegance beneath the decay She embarks on a quest to find the artist of the unsigned masterpiece an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden the famed 1920s illustrator who disappeared from history in 1931

Mary Cassatt Iain Zaczek,2014-08-01 Mary Cassatt said There are two ways for a painter the broad and easy one or the narrow and hard one Though born in Pennsylvania Cassatt studied traditional art in Europe but was eventually influenced by the Impressionists and Japanese prints Full color photographs of her works including At the Opera demonstrate her techniques which readers can learn to emulate Details and interesting trivia about her pieces are called out such as the reason the figure in Young Woman Sewing in a Garden is wearing white Cassatt wanted other colors to be reflected on it **Collection of Exhibition Catalogs** Archives of American Art,1979 Dover
