Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas

Akiba Jeremiah Lerner

Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas:

Minimal Theologies Hent de Vries, 2019-12-01 Originally published in in 2004 What at this historical moment after Auschwitz still remains of the questions traditionally asked by theology What now is theology's minimal degree This magisterial study the first extended comparison of the writings of Theodor W Adorno and Emmanuel Levinas explores remnants and echoes of religious forms in these thinkers critiques of secular reason finding in the work of both a theology in pianissimo constituted by the trace of a transcendent other The author analyzes systematizes and formalizes this idea of an other of reason In addition he frames these thinkers innovative projects within the arguments of such intellectual heirs as Jürgen Habermas and Jacques Derrida defending their work against later accusations of performative contradiction by Habermas or empiricism by Derrida and in the process casting important new light on those later writers as well Attentive to rhetorical and rational features of Adorno's and Levinas's texts his investigations of the concepts of history subjectivity and language in their writings provide a radical interpretation of their paradoxical modes of thought and reveal remarkable and hitherto unsuspected parallels between their philosophical methods parallels that amount to a plausible way of overcoming certain impasses in contemporary philosophical thinking In Adorno this takes the form of a dialectical critique of dialectics in Levinas that of a phenomenological critique of phenomenology each of which sheds new light on ancient and modern questions of metaphysics ethics and aesthetics For the English language publication the author has extensively revised and updated the prize winning German version

Adorno's Modernism Espen Hammer, 2015-09-25 Theodor W Adorno's aesthetics has dominated discussions about art and aesthetic modernism since World War II and continues to inform contemporary theorizing Situating Adorno's aesthetic theory in the context of post Kantian European philosophy Espen Hammer explores Adorno's critical view of art as engaged in reconsidering fundamental features of our relation to nature and reality His book is structured around what Adorno regarded as the contemporary aesthetician's overarching task to achieve a vision of the fate of art in the modern world while demonstrating its unique cognitive potential Hammer offers a lively examination of Adorno's work through the central problem of what full human self actualization would require and also discusses the wider philosophical significance of aesthetic modernism This book will be a valuable resource for scholars and students of social philosophy art and aesthetics

In the Spirit of Critique Andrew J. Douglas, 2013-12-02 Focusing on the critical postures of Hegel Marx and a series of twentieth century intellectuals including Sartre Adorno and C L R James this book explores what dialectical thinking entails and how such thinking might speak to the lived realities of the contemporary political moment What is revealed is not a formal method or a grand philosophical system but rather a reflective energy or disposition a dialectical spirit of critique that draws normative sustenance from an emancipatory moral vision but that remains attuned principally to conflict and tension and to the tragic uncertainties of political life In light of the unique challenges of the late modern age as theorists and citizens struggle to sustain an active and coherent critical agenda In the

Spirit of Critique invites serious reconsideration of a rich and elusive intellectual tradition **Transcending Fictionalism**

Jessica Eastwood,2024-05-16 Exploring alternative conceptions of the divine Jessica Eastwood considers the ways of believing in God that are authentic and sincere moving beyond traditional metaphysical structures that many find difficult to accept In this study she examines a unique branch of religious non realism known as religious fictionalism making the case for its ability to resonate on an intellectual and emotional level Considering the extent to which fictionalism allows us to make sense of the role of religion in our spiritual lives she presents its limitations on adhering to what might be an attractive contemporary model for philosophy of religion called the humane turn Articulating an alternative conception of God that we can relate to in an intellectual emotional and spiritual way Eastwood sheds light on a minimalist form of religious realism which preserves the reality of God without committing the theist to a host of additional religious beliefs *Adorno's*

Aesthetics of Critique Shea Coulson,2007 Adorno s *Aesthetics of Critique* examines Theodor Adorno s mode of critique from the perspective of his aesthetics This has two purposes The first purpose is to determine the effect of the primary importance Adorno places on aesthetics in his philosophy as a whole and to determine how this primacy influences the way in which he reads the philosophical tradition The second purpose is to understand the role of aesthetics in critical thinking generally and to reinvigorate Adorno s understanding of the subjective and objective dimensions of critique The ultimate aim is to promote new interpretations of Adorno and to reassert his relevance for constructing effective modes of critical thinking The book proceeds through four main chapters that focus on four different dimensions of Adorno s thought knowledge history culture and art The first chapter uses Adorno s aesthetic theory to re read his interpretation of Kant s subject object dynamic This grounds the second chapter on history which proceeds through an analysis of Adorno s reading of Hegel The third chapter uses the philosophical grounding of the first two to explore how knowledge and history interact within society as fundamental dimensions of culture The scope and meaning of culture and its relevance for critique form the primary focus of this chapter The fourth chapter turns to art to highlight the relationship between the critical and artistic dimensions of aesthetics in order to facilitate a dialogue between them This serves the purpose of asserting and outlining the relevance of aesthetics for critical thought in the humanities and social sciences which forms the crux of the book *How to Measure a*

World? Martin Shuster,2021-04-06 What does it mean to wonder in awe or terror about the world How do you philosophically understand Judaism In *How to Measure a World A Philosophy of Judaism* Martin Shuster provides answers to these questions and more Emmanuel Levinas suggested that Judaism is best understood as an anachronism Shuster attempts to make sense of this claim by alternatively considering questions of the inscrutability of ultimate reality of the pain and commonness of human suffering and of the ways in which Judaism is entangled with the world Drawing on phenomenology and Jewish thought Shuster offers novel readings of some of the classic figures of Jewish philosophy while inserting other voices into the tradition from Moses Maimonides to Theodor W Adorno to Walter Benjamin to Stanley Cavell *How to Measure a World*

examines elements of the Jewish philosophical record to get at the full intellectual scope and range of Levinas's proposal. Shuster's view of anachronism thereby provokes an assessment of the world and our place in it. A particular understanding of Jewish philosophy emerges not only through the traditions it encompasses but also through an understanding of the relationship between humans and their world. In the end, Levinas's suggestion is examined theoretically as much as practically, revealing what's at stake for Judaism as much as for the world.

Critique on the Heights of Despair Robyn Lee Marasco, 2006

Comptes Rendus Philosophiques, 2006

Essays on Levinas and Law Desmond Manderson, 2009-01-15

Emmanuel Levinas was one of the great writers on ethics of the 20th century. Now for the first time this collection starts to think through exactly what challenges and problems are posed once we try to apply Levinas's ideas about ethics to law. *Essays on Levinas and Law* is a mosaic that injects Levinas's provocative thought right into the heart of living law, radically changing our understanding of both. It features a broad sweep of essays ranging from critical reflections on the connection between ethics and justice to specific discussions of the effect that Levinas's ideas might have on our thinking about immigration or international law or political identity or justice. For those interested in philosophy and ethics, this book insists that our legal institutions are not a dirty little secret but a crucial realm in which to test our ideas. For those interested in law, this book insists that ethics is not a dirty little secret but a crucial realm by which to assess our structures and policies. For all interested readers, *Essays on Levinas and Law* does not intend to fulfill a need but to awaken one.

Ethics at a Standstill Asher Horowitz, 2008

Totality, ethics, and history. On the concept of natural history. The dialectic of natural history. Negative dialectics and ethics. The preponderance of the ethical. The sense of hope.

The Ethics of Emmanuel Levinas Diane Perpich, 2008

This work offers a new interpretation of what Levinas means when he says that we are infinitely responsible to the other person.

Radical Philosophy, 2005

The Review of Metaphysics, 2005

Rorty, Buber and the Revival of Social Hope Akiba Jeremiah Lerner, 2007

The Philosophical Review Jacob Gould Schurman, James Edwin Creighton, Frank Thilly, Gustavus Watts Cunningham, 2006

The Cambridge History of Jewish Philosophy Steven M. Nadler, Tamar Rudavsky, Martin Kavka, Zachary Braiterman, David Novak, 2009

Provides a comprehensive overview of Jewish philosophy from the seventeenth century to the present day.

Adorno's Concept of Life Alastair Morgan, 2007-10-15

An exciting new book examining the concept of life in Adorno's philosophy, relating this concept to a number of key thinkers in the history of continental philosophy, including Marx, Hegel, Heidegger, and Agamben.

Prophetic Politics Philip J. Harold, 2009-10-13

In *Prophetic Politics*, Philip J. Harold offers an original interpretation of the political dimension of Emmanuel Levinas's thought. Harold argues that Levinas's mature position in *Otherwise Than Being* breaks radically with the dialogical inclinations of his earlier *Totality and Infinity* and that transformation manifests itself most clearly in the peculiar nature of Levinas's relationship to politics. Levinas's philosophy is concerned not with the ethical per se in either its applied or its transcendent forms but with the source of ethics. Once this source is revealed to be an anarchic interruption of our

efforts to think the ethical Levinas's political claims cannot be read as straightforward ideological positions or principles for political action. They are instead to be understood prophetically, a position that Harold finds comparable to the communitarian critique of liberalism offered by such writers as Alasdair MacIntyre and Charles Taylor. In developing this interpretation, which runs counter to formative influences from the phenomenological tradition, Harold traces Levinas's debt to phenomenological descriptions of such experiences as empathy and playfulness. *Prophetic Politics* will highlight the relevance of the phenomenological tradition to contemporary ethical and political thought, a long-standing goal of the series while also making a significant and original contribution to Levinas scholarship.

FAQs About Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas Books

What is a Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Minimal Theologies Critiques Of Secular Reason In Adorno And Levinas PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier

to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
