Ministering To The Divorced Catholic An Exploration:

Ministering to the Divorced Catholic James J. Young 1979 *New Parish Ministries* ,1984 *Divorce in the New Testament* Raymond F. Collins,2017-04-07 Few New Testament texts have had their meaning debated so vigorously as those in which Jesus discusses divorce Matthew 5 32 Matthew 19 6 9 Mark 10 9 12 Luke 16 18 and 1 Cor 7 11 From the early Church through there formation and into the present day they have continued to rouse debate within the Churches and among believers This work focuses on one aspect of that debate namely what Jesus has to say regarding divorce when his sayings are interpreted in their literary and historical context To aid in this contextual understanding the sayings are studied in the order in which they were written down in ancient times Not every aspect of the debate therefore is addressed nor could it be on an issue of such personal and pastoral complexity Yet it is the challenge of biblical scholars to study the Word of God in all its complexity and to try to make that Word understandable This work is offered to scholars and believers alike in the hope of adding to that understanding

Rawlsian Explorations in Religion and Applied Philosophy Daniel A. Dombrowski,2015-08-26 To probe the underlying premises of a liberal political order John Rawls felt obliged to use a philosophical method that abstracted from many of the details of ordinary life But this very abstraction became a point of criticism as it left unclear the implications of his theory for public policies and life in the real political world Rawlsian Explorations in Religion and Applied Philosophy attempts to ferret out those implications filling the gap between Rawls s own empyrean heights and the really practical public policy proposals made by government planners lobbyists and legislators Among the topics examined are natural rights the morality of war the treatment of mentally deficient humans and nonhuman sentient creatures the controversies over legacy and affirmative action in college admissions and the place of religious belief in a democratic society The final chapter explores how Rawls s own religious beliefs as revealed in two works posthumously published in 2009 played into his formulation of his theory of justice

The New Dictionary of Sacramental Worship Peter E. Fink,1990 A Michael Glazier book Includes bibliographical references and index *Transformative Renewal in the Catholic Church* John O'Brien, This book explores transformative renewal in the Catholic Church Both practical and systematic it examines 6 pastoral initiatives unfolding at local level and their coherence with the synodal path inaugurated by Pope Francis to argue that the Church is on the cusp of incipient development of tradition It promotes mutual learning with integrity between different ecclesial perspectives rooted in patience as spiritual power enabling contemplative purposefulness in a renewal journey which cannot be completed easily quickly or completely *The Divorced Catholic's Guide to Parenting* Lynn Cassella-Kapusinski,2020-03-13 In The Divorced Catholic s Guide to Parenting Catholic author speaker and licensed clinical professional counselor and pastoral counselor Lynn Cassella Kapusinski herself a child of divorce takes parents step by step through these challenges Drawing on her own story and professional experience she helps Catholic parents walk with their children through the heartbreak of divorce into the healing peace and even joy that is

possible in their lives. In this groundbreaking work readers will uncover the emotional effects and challenges that divorce or separation may have on children and find concrete developmentally appropriate ways to address them. Understand common problems children face as a result of coparenting difficulties or a parent's personal issues and learn how to communicate constructively about them. Navigate circumstances that arise in the later stages of divorce when a parent is absent or when one or both parents date or remarry. Explore ways to use the divorce as a Catholic teaching tool on God's forgiveness and the beauty of the Sacrament of Matrimony. Find outside resources and additional support. Throughout this book Lynn's thoughtful advice reveals how the Catholic Faith and its teachings are the key to loving your children through divorce and preparing them to live full joyful lives. I commend Lynn Cassella Kapusinski for shining light on a common but difficult to address topic. She offers wisdom for parents on how with God's grace to raise their children after the pain of separation. Not only does she communicate the teaching of the Church but she also offers insightful practical details stemming from her own experience as a counselor that will greatly benefit divorced parents in supporting and guiding their children. Archbishop Samuel J. Aquila, Archdiocese of Denver, The Divorced Catholic's Guide to Parenting is a welcome follow up to Lynn's earlier works. Drawing from the best of the psychological sciences, the Church's teachings and her own experiences this newest addition demonstrates a thoughtful coincidence of wisdom with approachability and practicality. Lynn's book and ministry are great gifts to the Archdiocese of Baltimore and beyond. Archbishop William E. Lori, Baltimore, Lynn Cassella Kapusinski's book, The Divorced Catholic's Guide to Parenting is an answer to the calling of the whole Christian community to accompany with attention and care those who have endured the effects of divorce. Offering professional and personal insights it is a timely resource particularly to help treat and heal the wounds suffered by the most innocent and vulnerable the children of divorce. Archbishop Wilton D. Gregory, Archdiocese of Washington D.C. A very impressive easy to use guide for divorced parents to help with their children's journey. Lynn shares her experience as a child of divorce and counselor to families and provides specific tools and the gifts of our Catholic Church to minimize the trauma of divorce for children. This guide addresses any stage your family is struggling through and can be revisited as dynamics change. As a Family Therapist I recommend this book for parents who are looking for answers and support to ease the pain. Kelly Klaus, MA, LMFT, Executive Director of Catholic Divorce Ministry. A remarkable book to aid divorced parents in pastorally walking with their child who has been affected by divorce. Lynn once more writes a great resource for families who seek healing. She provides practical and poignant steps that divorced parents can take to aid their child. Lynn captures the reality that it is faith in God that will be an anchor for all dealing with loss and pain. Michael Donaldson, MTS, Parish Development Director, Saint Oscar Romero Catholic Community, Eastvale, CA.
