Getting Out Michael B. Bowe, 2020-05-29 Prison ministry needs to be reevaluated It just is not working The typical approach to prison ministry is to lead an inmate to Christ to save his or her wretched soul from the pits of hell However what about the hell that a particular inmate will face upon release Michael Bowe introduces a more wholistic approach that engages in the social gospel and restorative justice to address many of the concerns people face when leaving prison He utilizes systems theory as an approach to address societal and family issues Getting Out engages the reader with conversations and struggles real people face when leaving prison

Keep Looking Up! Leland Maples, 2015-11-10 When I walked into the Big Spring Federal Prison Camp over thirty years ago I had no idea that God was going to change everything about my life I had no burden for inmates I was only going to teach a Bible class in prison because I could not get out of it For six years I drove 120 miles round trip every Friday night for that class The last two years of the six we drove back over on Saturday afternoon after visitation to work with the families It was during this time that the prison system began to expand at a rapid pace When we started into the prison in Big Spring it was the only prison west of Fort Worth in the entire state now we have about forty Men with vision like Don Gibson and Emmett Solomon were busy putting people and programs in place to meet the spiritual need of the largest prison system in the free world Linda and I were the greenest of all the volunteers Thank God the good ones took us under their wings and taught us

Streetwise Prison Ministry Rebecca Lewis, 2024-04-11 Every year thousands of religious individuals and groups of all faiths volunteer to enter into jails and prisons to bring hope to the incarcerated But while their intention is honorable many of these volunteers run into the reality of a highly dysfunctional complicated and often volatile environment hostile by its nature to those efforts Jail and prison ministry is not just about bringing the gospel of deliverance to the inmates through religious programming and spiritual counseling Wise ministry comes from knowing the dynamics of the mission field which is

often filled with the condensed darkness of human suffering and evil and many wolf traps Effective jail and prison ministry requires the religious volunteer to have an awareness of the inner nuances of that environment A study of inmate religious games security issues that affect civilians entering to minister as well as their own personal perceptions of ministry in a secular environment is part of being fully equipped for that mission Jail and prison ministry is not for the naive in matters that may sabotage or weaken the intended purpose of those religious volunteers who seek to bring the hope of the gospel into the dark places that are our jails and prisons

I was in Prison James M. Shropshire, Mark C. Hicks, Richmond Stoglin, 2008 United Methodists have a rich history of involvement in prison ministry and criminal justice work Yet today precisely at a time when incarceration is reaching unprecedented levels in the United States prison ministry in The United Methodist Church is fragmented and badly in need of a fresh vision I Was In Prison seeks to address this need Grounded in the concept of restorative justice it suggests a holistic framework for United Methodist ministry with the incarcerated involving three interrelated communities endorsed chaplains and others who serve primarily inside prisons congregational and community based leaders and ministries and seminaries and theological schools Contributors offer penetrating theological sociological historical institutional and practical insights that can help United Methodists engage prison ministry with integrity and hope

Called to Heal the Brokenhearted William H. Barnwell, 2016-03-21 In this stirring book William H Barnwell tells the stories of prison inmates and the Kairos Prison Ministry volunteers who work with them Set mostly at the huge Louisiana State Penitentiary at Angola Barnwell's narrative illustrates how offenders who have done the worst can and do change becoming model inmates and if released productive

citizens The stories also reveal how Kairos volunteers have found healing for broken hearts Given that the United States incarcerates more people per capita than any country in the world reformers are seeking radically new ways to reduce our prison populations Kairos volunteers and inmates alike have much to contribute to the ongoing reform discussions Now serving 300 state and federal prisons 30 000 Kairos volunteers work with 20 000 inmates each year They take part in long weekend retreats with the inmates and follow up with regular prison visits Since its beginning in 1976 Kairos has served over 250 000 inmates Broad based nondenominational and nonjudgmental Christian Kairos seeks to carry out its slogan listen listen love love among inmates who have had few to listen to them and fewer still to love them In Called to Heal the Brokenhearted are stories of undeniable redemption They point the way to personal transformation for the inmates and the volunteers One Kairos inmate speaks of the change this way he makes guitars out of the good wood hidden beneath the surface of throwaway pianos I find my work incredibly fulfilling he says I see myself in every piano discarded by society but redeemed and put to use in a new way
