Ministry And Sexuality:

Understanding Sexual Identity Mark A. Yarhouse, 2013-10-22 Today's youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity, all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

Professional Sexual Ethics Patricia Beattie Jung, Darryl W. Stephens, 2013-12-01 Sexual health is an essential part of maintaining professional relationships in ministry. Leading a Church in a Time of Sexual Questioning Bruce B. Miller, 2019-04-09 Biblical Guidance for Ministering God's Love in a Sexually Diverse Culture. In a time when sexual norms are changing rapidly, how can a local church be a place of grace, a loving community for all kinds of people where everyone can flourish and disagreements are overcome in a Christlike spirit while at the same time stay true to biblical standards? In a way that appeals to pastors and lay leaders alike, Bruce offers a biblical theology of sexuality and provides practical wisdom for how a church can approach ministering to and alongside people who identify their sexuality in diverse ways. LGBTQ. Here is a church-tested program full of wise pastoral insights to help church leaders think through day-to-day decisions such as how to handle baby dedications, small groups who can serve membership, baptism, retreats, the Lord's Supper, weddings, funerals, teaching, hiring, and caring for those caught in sin. If you are a leader who is facing any of these challenging issues and decisions, then this practical, grace-filled book is for you.

Ministry & Sexuality G. Lloyd Rediger, 1990 **The Sexuality of Christ in Renaissance Art and in Modern Oblivion** Leo Steinberg, 2014-12-10 Originally published in 1983, Leo Steinberg's classic work has changed the viewing habits of a generation. After centuries of repression and censorship, the sexual component in thousands of revered icons of Christ is restored to visibility. Steinberg's evidence resides in the imagery of the overtly sexed Christ in Infancy and again

after death Steinberg argues that the artists regarded the deliberate exposure of Christ's genitalia as an affirmation of kinship with the human condition Christ's lifelong virginity understood as potency under check and the first offer of blood in the circumcision both required acknowledgment of the genital organ More than exercises in realism these unabashed images underscore the crucial theological import of the Incarnation This revised and greatly expanded edition not only adduces new visual evidence but deepens the theological argument and engages the controversy aroused by the book's first publication
