Lessing, 2008-01-01 Lessing was a German philosopher writer and art critic. His writings during the Enlightenment Era were a major influence in German literature. Major von Tellheim is a disabled officer staying at an inn. His possessions are removed from his room because the manager believes he will not pay his bill. Minna Von Barnhelm (Classic Reprint) Gotthold Ephraim Lessing, 2018-04-27 Excerpt from *Minna Von Barnhelm*. The Notes are designed to fulfill a double purpose to explain difficulties in the text and to aid the student in his interpretation of Lessing's masterpiece by occasional references of a literary and appreciative sort. I gladly acknowledge my indebtedness to previous editors chiefly to my colleague Mr. Cutting and to Mr. Calvin Thomas for more than one crisp statement taken from his Practical German Grammar. The Vocabulary is fuller than any of its predecessors for I believe the presence of a word list in an edition of this kind may be justified only by its completeness and its adequacy in furnishing a good English rendering for every implication of the text. Gotthold Ephraim Lessing, 2018-03-21 Excerpt from *Minna Von Barnhelm or Soldier's Fortune*. Yet the peculiar significance of Lessing in that new era of affluence will be more suitably indicated through another symbol. His prime function may be likened to the work of the mint. Lessing is the receiver of the golden treasures transmitted by the past and he it is that passes them on to all future but not until he has made them truly his own liquefied and hardened them again by unique processes of the intellect and put on the new product the unmistakable stamp which confers worth and credit in the modern world.
