Salmela, Architect Thomas Fisher, A stunning and informative portrait of one of today's most honored architects

Minnesota Architect Paul Clifford Larson, 1996 During a practice that spanned fifty four years 1882 1936 Clarence Johnston designed more buildings than any other figure in Minnesota's history As Minnesota State Architect for thirty years Johnston designed virtually all the buildings on thirty five state owned sites and campuses including the University of Minnesota and he was also the most sought after residential architect for two generations of St Paul's upper classes Forty two of his designs line Summit Avenue alone one of the most famous and best preserved Victorian boulevards in America

A Century of Art and Architecture in Minnesota Donald R. Torbert, 1958 A Century of Art and Architecture in Minnesota was first published in 1958 In this concise overview of Minnesota art and architecture Donald R Torbert has compiled a generous collection of information pertaining to notable personalities of the state's artistic culture and their works A Century of Art and Architecture in Minnesota is also available in *A History of the Arts in Minnesota* edited by William Van O Connor and published by the University of Minnesota Press **Cap Wigington** David Vassar Taylor, Paul Clifford Larson, 2001 Clarence W Cap Wigington was a man of firsts the first registered African American architect in Minnesota and the first

African American municipal architect in the nation The public buildings that he designed for the city of St Paul are a continuing legacy helping to define the city's character And his achievements both as an architect and as a leader in the state's African American community are all the more significant given the limitations of the times in which he lived Wigington's most ephemeral work may have been his most creative From 1937 to 1947 he designed six ice palaces and a number of secondary structures for St Paul's famous Winter Carnival These stunningly fanciful designs are Wigington's most imaginative and exuberant Alternating chapters by Taylor and Larson examine the man his times his leadership in the African American community and his architectural work Richly illustrated with photos of Wigington's buildings and his drawings the book also contains a list of works attributed to Wigington His life story shows the struggles and the achievements of a talented individual facing and conquering long odds
