Minnesota History was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Anyone interested in Minnesota history whether as a teacher as a student or as a general reader will find this an invaluable guide to reading and study. The book contains an outline of the state's history questions and suggestions for the student and lists of reading material for each of the 42 topical sections into which the outline is divided. The outline covers the entire history of the state from the time of the Indians before the French and British explorations to the present. The reading references include accounts written from the seventeenth through the twentieth centuries. The aim in preparing the reading lists was to include any article or book bearing upon the Minnesota story which met the qualifications of good historical writing and fair accessibility. Materials of particular interest or importance to the topic under consideration are so designated and there are liberal annotations to help the reader in his choice of readings. References which are particularly appropriate for young readers are also specially designated. A number of maps are provided for additional guidance. This is a complete revision of a book long out of print. *Minnesota History A Study Outline* by Theodore C. Blegen *Minnesota History Bulletin* Theodore Christian Blegen, Bertha Lion Heilbron, 1928 Vols 2-6 include the 19th-23d Biennial reports of the Society 1915-16, 1923-24 in v 2-3 as supplements in v 4-6 as extra numbers *Minnesota History* Theodore Christian Blegen, Bertha Lion Heilbron, 1928 Vol 6 includes the 23d Biennial report of the Society 1923-24 as an extra number *Minnesota* Theodore Christian Blegen, 1975 The acclaimed history is brought up to date through placement of the political, economic, social and cultural developments since 1963 within the larger context of national and international events **The History of Geological Surveys in Minnesota** N.
