Minor Prophets II (Understanding the Bible Commentary Series)

John Goldingay, Pamela J. Scalise, 2012-07-01. The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief. The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six: Hosea, Joel, Amos, Obadiah, Jonah, and Micah. This second volume deals with the final six books: John Goldingay writes on Nahum, Habakkuk, Zephaniah, and Haggai; Pamela Scalise takes on the longest, Zechariah, and the last, Malachi. Like the authors of other volumes in the NIBC, Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts. Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers, this balanced approach enriches both the academy and the church. Following the series guidelines, the authors clearly explain the texts with additional notes regarding interpretation and practical reflection. For example, Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon, the Israelites needed to hear the word of God as a caution against their own pride and wickedness. He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example. The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit. Based on the widely used New International Version translation, the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual, linguistic, cultural, and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes.

Malachi's Use of Joel's Day of the Lord

Petronio M. Genebago, 2023-07-07. The Day of the Lord texts of Malachi (Mal 3:2, 7, 4:5) demonstrate that he seems to allude to Joel's Day of the Lord (2:11, 13, 31; MT 3:4). Malachi's Day of the Lord seems to have a strong inner biblical relationship with the Day of the Lord motif of Joel. A significant interpretive loss is committed when allusion is recognized in the source text but ignored and not explored. Thus, the passages themselves call for an inner biblical allusion study. In addition, the interpretive significance of Joel's Day of the Lord in Malachi has not been investigated comprehensively as the review of literature and intertextual and inner biblical studies on Malachi validated. Thus, these are the interrelated questions: a. What are the criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord? b. How did Malachi use Joel's Day of the Lord motif? c. How did Malachi develop the Day of the Lord theme in his book? There are three purposes of this study: The first is to identify objective criteria to verify the inner biblical connection between Malachi and Joel on the Day of the Lord. The second is to determine how Malachi used Joel's Day of the Lord motif. The last is to ascertain how Malachi developed the Day of the Lord theme in
