## **Minority Language Broadcasting Breton And Irish:**

*Minority Language Broadcasting* Helen Kelly-Holmes,2001 This volume examines the historical context current state of and future prospects for broadcasting in minority languages taking Irish and Breton as case studies Practitioners and academics from a variety of disciplines come together to identify and debate the key issues that will mean success or failure for minority language broadcasting in the new millennium

Social Media and Minority Languages Elin Haf Gruffydd Jones,Enrique Uribe-Jongbloed,2012-02-22 This book includes case studies theoretical debates international comparisons on minority languages and presents a research agenda for the development of the field of Minority Language Media studies It addresses the challenges present in multi platform mobile communication environments focusing on the pitfalls and opportunities brought about by social media and other Web 2 0 applications

**Language in the Media** Sally Johnson,Astrid Ensslin,2018-10-18 Examining the ways in which the media represents language related issues and how it shapes and constructs what people think language is this book offers a multilingual survey of the construction of language in and by the media Tackling the big issues of identity gender youth citizenship politics and ideology across a range of mediums including television radio newspapers magazines and the internet Language in the Media brings together an international team of experts to examine how the media gives language distinctive forms and values This is an essential text for students and researchers of sociolinguistics or language and communication At a time when trust in the mainstream media is at an all time low and world leaders are using new media to deride so called fake news this classic text offers insight and critical analysis into the key issues surrounding the relationship between language the media and its audience

**The Routledge Handbook of Multilingualism** Marilyn Martin-Jones,Adrian Blackledge,Angela Creese,2012-05-31 The Routledge Handbook of Multilingualism provides a comprehensive survey of the field of multilingualism for a global readership and an overview of the research which situates multilingualism in its social cultural and political context The handbook includes an introduction and five sections with thirty two chapters by leading international contributors The introduction charts the changing landscape of social and ethnographic research on multilingualism theory methods and research sites and it foregrounds key contemporary debates Chapters are structured around sub headings such as early developments key issues related to theory and method new research directions This handbook offers an authoritative guide to shifts over time in thinking about multilingualism as well as providing an overview of the range of contemporary themes debates and research sites The Routledge Handbook of Multilingualism is the ideal resource for postgraduate students of multilingualism as well as those studying education and anthropology

Thematising Multilingualism in the Media Helen Kelly-Holmes,Tommaso M. Milani,2013-06-12 This volume analyses the complex relations between multilingualism and the media how the media manage multilingualism how multilingualism is presented and used as media content and how the media are discursive sites where debates about multilingualism and other language related issues unfold It is precisely this inter relatedness that we

want to flag up when we talk about thematising multilingualism in the media More specifically the focus of this volume is on the empirical and theoretical opportunities and challenges posed by the thematisation of multilingualism in the media The volume originally published as a special issue of the Journal of Language and Politics 10 4 2011 presents a number of case studies from a variety of linguistic media political social and economic contexts from print media debates on trilingual policies in Luxembourg to new media discussions about the sexiness of Irish or the national value of Welsh from issues of linguistic authority and authenticity in an American television programme to Wikipedia s multilingual policy and practice

**Language Planning and Policy in Europe** Robert B. Kaplan, Richard B.
