A Child's Journey Out of Autism Leeann Whiffen,2009-03-01 Told with the intensity of a medical thriller the extraordinary story of how Clay Whiffen and his family conquered autism Leeann Whiffen s fight for her son is a poignant intimate story of perseverance and love a reminder to all of us that a mother is the greatest ally a child with autism will ever have A Child s

Journey out of Autism shines a heartfelt light on a future of healing and hope Jenny McCarthy author of Mother Warriors and Louder than Words The therapy costs 30 000 We'd be mortgaging our lives and our savings on something we're not even sure could help our son But the clock is ticking the longer we wait the harder it will be to pull him out of this shell How are we going to afford it How can we not afford it When Clay Whiffen was diagnosed on the autism spectrum his parents didn't know where to turn They refused to believe that he could not be cured and began to try every therapy they could afford and many they couldn't In this extraordinary story of one family's struggle with autism Leeann Whiffen gives voice to the fear of losing a child and the fight to reclaim him exploring what treatments eased her son Clay's symptoms where the Whiffens found support and how the family conquered one of the toughest challenges a child can face With a foreword by autism specialist Dr Bryan Jepson A Child's Journey out of Autism spells out what treatments worked where the family found help and how they made it through this crushing crisis In a time of despair and confusion when another child is diagnosed with autism every 20 minutes this is a profound proven message of hope for anyone whose life is touched by the disorder

Miracle of Effort John A. Fortunato Ph. D.,2023-06-12 Miracle of Effort Thalia's Autism Journey is the story of Thalia being diagnosed with autism spectrum disorder when she was two years old and her journey to graduating college and becoming an elementary school teacher Through Thalia's journey this book aspires to offer a sense of what children with autism and their families go through The book takes the reader through the experiences the emotions the challenges confronted the sacrifices demanded and the decisions that needed to be made at different stages of a child's life Thalia's family is at the center of this story There were several critical decisions made by Thalia's parents Donnie and Lorena They were confronted with a traumatic reality that required perspective and patience while fighting through moments of despair and sadness It was Donnie and Lorena's determination that they would be part of the solution for their daughter that shaped Thalia's journey It is Donnie's cousin Lisa who noticed Thalia's autistic behavior symptoms and delivered her initial learning therapy sessions Each child that is diagnosed as being on the autism spectrum will have a different experience with the disorder No two situations are the same The following is Thalia's unique autism journey Her Miracle of Effort The book is intended to offer hope to the many families that are confronted with this disability As Thalia says an autism diagnosis does not mean that a child cannot be successful It just means that he or she will see the world in a different light Thalia's simple hope is to inspire autistic individuals to live up to their full potential and provide optimism to families

The Sound of a Miracle Annabel Stehli,1996 Details a child's journey from autistic and functionally retarded to gifted resulting in validation of auditory training Sound of a Miracle Annabel Stehli,1992-09 Details a child's journey from autistic and functionally retarded to gifted resulting in validation of auditory training **Underestimated** J. B. Handley, Jamison Handley,2021-03-23 The incredibly moving and inspiring story about a quest to finally be heard In Underestimated An Autism Miracle Generation Rescue's cofounder J B Handley and his teenage son Jamison tell the remarkable story of Jamison's journey to find a method

of communication that allowed him to show the world that he was a brilliant wise generous and complex individual who had been misunderstood and underestimated by everyone in his life Jamison s emergence at the age of seventeen from his self described prison of silence took place over a profoundly emotional and dramatic twelve month period that is retold from his father s perspective The book reads like a spy thriller while allowing the reader to share in the complex emotions of both exhilaration and anguish that accompany Jamison s journey for him and his family Once Jamison s extraordinary story has been told Jamison takes over the narrative to share the story from his perspective allowing the world to hear from someone who many had dismissed and cast aside as incapable Jamison s remarkable transformation challenges the conventional wisdom surrounding autism a disability impacting 1 in 36 Americans Many scientists still consider nonspeakers with autism a full 40 percent of those on the autism spectrum to be mentally retarded Is it possible that the experts are wrong about several million people Are all the nonspeakers like Jamison Underestimated An Autism Miracle will touch your heart inspire you remind you of the power of love and ultimately leave you asking tough questions about how many more Jamisons might be waiting for their chance to be freed from their prison of silence too And for the millions of parents of children with autism the book offers a detailed description of a communication method that may give millions of people with autism back their voice
