*The Miracles of Your Mind* Dr Joseph Murphy,2018 Man has only one mind but he has two distinct phases or functions of the one mind Each phase is characterized by its own phenomena which is peculiar to itself Each of these minds is capable of independent action as well as synchronous action We call one the objective mind because it deals with external things and the other is the subjective mind The subjective mind is amenable and controlled by suggestion of the objective or conscious mind The objective mind takes cognizance of the objective world In this work Dr Joseph Murphy expands on his theory that the latent powers inherent in our subconscious can improve our lives Dr Murphy provides specific steps to nourish your conscious mind with the tools and attitudes that will open up the infinite power of your subconscious mind Whether you wish to conquer a bad habit be more successful obtain harmony in your family or achieve goals that have thus far been unattainable you will be given guidelines to put you on the right path About the Author Joseph Murphy was born in Ireland the son of a private boy s school headmaster and raised a Roman Catholic He studied for the priesthood and joined the Jesuits In his twenties an experience with healing prayer led him to leave the Jesuits
