Developing Your Theoretical Orientation in Counseling and Psychotherapy Duane Halbur, Kimberly Vess Halbur, 2006 Highlights of this new text provides a model for Intentional Theory Selection which assists counselors and psychotherapists with the process of finding their own theoretical orientation addresses specific strategies and activities for finding a theoretical orientation allowing students to process their own thoughts feelings and beliefs about various theories Chapter 3 and presents the Selective Theory Sorter a quiz that allows students to answer questions regarding their beliefs about people and the psychotherapy process Once it is completed students receive a score that indicates the theories to which they are most drawn Chapter 3 Jacket **The British National Bibliography** Arthur James Wells, 2009 Empathy for the Devil Phil Harris, 2007 Examining the core skills necessary for effecting change in problematic substance users this important new book explores practical ways of establishing or improving social practice It steps beyond clinical theoretical and moral undertones to the reality of working with substance misuse Empathy for the Devil provides positive and reflective support for both experienced and novice workers or those affected by others use It suggests ways ahead for social workers stuck in seemingly perennial impasses as they strive with their colleagues to address multi faceted and entrenched problems Increasingly social policy now demands evidence based practice putting ever greater pressure on professionals from all disciplines to grasp the core ideas and skills drawn from research findings But this research is often too arid and abstract and can make the lay person feel even more under skilled Empathy for the Devil bridges this chasm bringing together a wide range of proven skills in supporting people through change in an open and accessible way It illuminates the key ideas skills

and techniques in addiction work. Additionally, it lucidly explains the latest findings in effective practice illustrating them with case examples and provides optional self-reflective exercises and activities to aid learning and training. For everyone working with people whose lives are affected by drugs or alcohol, **Empathy for the Devil** provides new ideas and perspectives to address old and intractable problems.

Interviewing for Solutions Peter De Jong, Peter Y. De Jong, Insoo Kim Berg, 1998

This exciting book focuses on interviewing skills based on solution-focused therapy, an approach especially suited to today's practice demands in the helping professions. Originally developed by Steve de Shazer, Insoo Kim Berg, and their colleagues, this unique approach views clients as competent, helps them to visualize the changes they want, and builds on what they already are doing that is working. Throughout the book, the authors present models for solution-focused work, illustrated by examples and supported by research.

Solution Focused Therapy Dave Hawkes, Trevor I. Marsh, Ron Wilgosh, 1998

Step-by-step guide to solution-focused therapy. Focuses on the future instead of the past and on the client's strengths instead of symptoms. Explains techniques, gives insights, and includes many case studies.

DVD Counseling and Psychotherapy Theories in Context and Practice

John Sommers-Flanagan, Rita Sommers-Flanagan, 2004-01-16. Learn the various counseling theories through authentic examples led by actual practitioners working with real clients. This comprehensive two-DVD set promotes student learning by illustrating each of the counseling theories covered in the textbook *Counseling and Psychotherapy Theories in Context and Practice* Second Edition by John and Rita Sommers Flanagan. However, the DVDs can be used in conjunction with this text or as a stand-alone teaching tool in any course covering psychotherapy theories and techniques. Unique in its presentation of real clinicians from a variety of work settings including school and college counselors working with actual clients, the DVDs feature practitioners and clients who represent ethnic, gender, age, and religious diversity. Model how to develop a positive therapeutic relationship from any theoretical perspective. Help students not only understand the differences between theories but also the difference between theory and technique. Offer commentary by the authors on how the counselor in the session made decisions from a theoretical perspective as well as why a particular counseling theory was appropriate for the client's situation. Exploring Psychoanalytic, Adlerian, Existential, Person-Centered, Gestalt, Behavioral, Cognitive, Behavioral Reality, Feminist, Solution-Focused, and Family Systems theories, these two DVDs shed light on these theories in real practice with clients.
