**The Miracles of Chairman Mao; A Compendium of Devotional Literature, 1966-1970. Edited and Introduced by George Urban** George R. Urban (Comp),1971      **From Benito Mussolini to Hugo Chavez** Paul Hollander,2017-01-05

During the twentieth and twenty first centuries political dictators were not only popular in their own countries but were also admired by numerous highly educated and idealistic Western intellectuals The objects of this political hero worship included Benito Mussolini Adolph Hitler Joseph Stalin Mao Zedong Fidel Castro and more recently Hugo Chavez among others This book seeks to understand the sources of these misjudgements and misperceptions the specific appeals of particular dictators and the part played by their charisma or pseudo charisma It sheds new light not only on the political disposition of numerous Western intellectuals such as Martin Heidegger Eric Hobsbawm Norman Mailer Ezra Pound Susan Sontag and George Bernard Shaw but also on the personality of those political leaders who encouraged and in some instances helped to design the cult surrounding their rise to dictatorship      **Shaken Authority** Christian P. Sorace,2017-05-09 In *Shaken Authority* Christian P Sorace examines the political mechanisms at work in the aftermath of the 2008 Sichuan earthquake and the broader ideological energies that drove them Sorace takes Communist Party ideas and discourse as central to how that organization formulates policies defines legitimacy and exerts its power Sorace argues that the Communist Party has never abandoned its conviction that discourse can shape the world and the people who inhabit it Sorace also demonstrates how the Communist Party s planning apparatus continues to play a crucial role in engineering China s economy and market construction especially in the countryside Sorace takes a distinctive and original interpretive approach to understanding Chinese politics and *Shaken Authority* demonstrates how Communist Party discourse and ideology influenced the official decisions and responses to the Sichuan earthquake Sorace provides a clear view of the lived outcomes of Communist Party plans rationalities and discourses in the earthquake zone The three case studies he presents each demonstrate a different type of reconstruction and model of development urban rural integration tourism and ecological civilization Sorace s work emphasizes the need for a grounded literacy in the political concepts discourses and vocabularies of the Communist Party itself To dismiss China s official discourse as empty propaganda Sorace argues makes China and Chinese realities harder to understand not easier      Paragons of Virtue in Chinese Short Stories During the Cultural Revolution Pär Bergman,1984

Mao Cult Daniel Leese,2011-10-31 Although many books have explored Mao s posthumous legacy none has scrutinized the massive worship that was fostered around him during the Cultural Revolution This book is the first to do so By analyzing secret archival documents Daniel Leese traces the history of the cult within the Communist Party and at the grassroots level The party leadership s original intention was to develop a prominent brand symbol which would compete with the nationalists elevation of Chiang Kai shek However they did not anticipate that Mao would use this symbolic power to mobilize

Chinese youth to rebel against party bureaucracy itself The result was anarchy and when the army was called in it relied on mandatory rituals of worship such as daily reading of the Little Red Book to restore order Such fascinating detail sheds light not only on the personality cult of Mao but also on hero worship in other traditions *Yoga Journal* ,1983-02 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty
