Blessings and Miracles Stephen Mugabo, 2020-02-25 Blessings and Miracles in the perspective of a relationship with God and His divine intervention in our lives we learn how different factors contribute consequently to the quality of life we live The actions choices and attitudes we have and express every day affect how the blessings and miracles accomplish their purpose in our lives Blessings and Miracles have been and are still a medium for God to work in our lives God performs miracles for us to believe that Jesus is the Christ the Son of God and through having faith in Him we experience eternal life by the power of His Name John 20 30 31 Blessings are in most cases conditional and received through a process A blessing can also be a resource a resource is a source of supply or support and it is again an available means or productive factor required to accomplish a given activity Therefore blessings are supposed to help us achieve the purpose of our life in this world It is the Father s good pleasure to have a relationship with you to bless you to heal you and give you a complete restoration A miracle is applicable in a crisis or in a problem that we can avoid or that is unavoidable While with
