programme which he declared to be that which had been followed by Julius III in the year 1550 It differed very little from mine says Mucanzio except in the versicles and responses Those which I had set down were taken from an ancient roll a quodam rotulo antiquo used in the time of Clement VII and of these versicles there was probably no accurate copy forthcoming in 1550 on account of the pillage and disasters to which the city had been subjected he refers presumably to the sack of Rome in 1527 hence they had been somewhat altered My opinion was that out of the two sets which we had before us a third more appropriate than either might have been drawn up but when the matter was proposed in the Congregation of Cardinals appointed for the revision of ceremonies they decided that as regards the versicles 1The copy here quoted is contained in MS Addit 26811 at the British Museum and prayers the precedent of Julius III s time should be adhered to in every particular The fact is adds Mucanzio we have nothing prescribed about this matter in the Book of Ceremonies 1 and on this ac
