for Young People Ronald Takaki, 2012-10-16 A longtime professor of Ethnic Studies at the University of California at Berkeley Ronald Takaki was recognized as one of the foremost scholars of American ethnic history and diversity When the first edition of A Different Mirror was published in 1993 Publishers Weekly called it a brilliant revisionist history of America that is likely to become a classic of multicultural studies and named it one of the ten best books of the year Now Rebecca Stefoff who

adapted Howard Zinn s best selling A People s History of the United States for younger readers turns the updated 2008 edition of Takaki s multicultural masterwork into A Different Mirror for Young People Drawing on Takaki s vast array of primary sources and staying true to his own words whenever possible A Different Mirror for Young People brings ethnic

history alive through the words of people including teenagers who recorded their experiences in letters diaries and poems Like Zinn s A People s History Takaki s A Different Mirror offers a rich and rewarding people s view perspective on the American story **A History of Magic and Experimental Science: The first thirteen centuries of our era** Lynn Thorndike,1923 A history of science and magic spanning the period from early Christianity through early modern Europe to the end of the 17th century *The Mirror of Herodotus* François Hartog,2009-07 The best book to come out on Herodotus in years G E R Lloyd King s College Cambridge History of English Literature Bernhard ten Brink,1896 **History of Christian Education** Pierre Joseph Marie,1924 **The Cambridge History of English Literature** Sir Adolphus William Ward,Alfred Rayney Waller,1909 **The Mirror of History** Solomon Wank,1988 *History of Kansas Newspapers* Kansas State Historical Society,William Elsey Connelley,1916 A Translucent Mirror Pamela Kyle Crossley,2000-02-15 In this landmark exploration of the origins of nationalism and cultural identity in China Pamela Kyle Crossley traces the ways in which a large early modern empire of Eurasia the Qing 1636 1912 incorporated neighboring but disparate political traditions into a new style of emperorship Drawing on a wide variety of primary sources including Manchu Korean and Chinese archival materials Crossley argues that distortions introduced in seventeenth and eighteenth century historical records have blinded scholars to the actual course of events in the early years of the dynasty This groundbreaking study examines the relationship between the increasingly abstract ideology of the centralizing emperorship of the Qing and the establishment of concepts of identity in the seventeenth and eighteenth centuries before the advent of nationalism in China Concluding with a broad ranging postscript on the implications of her research for studies of nationalism and nation building throughout modern Chinese history A Translucent Mirror combines a readable narrative with a sophisticated revisionary look at China s history Crossley s book will alter current understandings of the Qing emperorship the evolution of concepts of ethnicity and the legacy of Qing rule for modern Chinese nationalism **A Different Mirror** Ronald Takaki,2008-12-08 Upon its first publication A Different Mirror was hailed by critics and academics everywhere as a dramatic new retelling of our nation s past Beginning with the colonization of the New World it recounted the history of America in the voice of the non Anglo peoples of the United States Native Americans African Americans Jews Irish Americans Asian Americans Latinos and others groups who helped create this country s rich mosaic culture Now Ronald Takaki has revised his landmark work and made it even more relevant and important Among the new additions to the book are The role of black soldiers in preserving the Union The history of Chinese Americans from 1900 1941 An investigation into the hot button issue of illegal immigrants from Mexico A look at the sudden visibility of Muslim refugees from Afghanistan This new edition of A Different Mirror is a remarkable achievement that grapples with the raw truth of American history and examines the ultimate question of what it means to be an American **The Wiltshire Archaeological and Natural History Magazine** ,1922 **The Kaleidoscope, Its History, Theory and Construction with Its Application to the Fine and Useful Arts** David
