Mirror At Midnight A South African Journey:

The Mirror at Midnight Adam Hochschild, 2007 Publisher Description **New York Magazine**, 1990-12-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Mirror at Midnight** Adam Hochschild, 1991 Writing the City Peter Preston, Paul Simpson-Housley, 2002-09-11 Arguing that classic geographical descriptions of the city fail to accommodate the crucial aspect of human life this visualizes the city through the hopes aspirations disappointments and pains of international novelists and creative writers **Exploring Travel and Tourism** Jennifer Erica Sweda, 2012-03-15 Exploring Travel and Tourism Essays on Journeys and Destinations offers a broad treatment of topics in global travel tourism studies through articles first presented at Travel and Tourism panels at Mid Atlantic Popular American Culture Association conferences between 2007 and 2010 Through archival research close readings and case studies the authors assembled here examine the significance of travel and the tourist experience over the last two hundred years from Borneo to Cuba to Niagara Falls and places in between The contributions seek to unpack the meanings of nationality postcolonialism place gender class and the Self Other dyad as they bump up against the framework of travel studies Taken together the articles speak to central issues in current scholarly debates about travel tourism and culture from various historical geographical and disciplinary perspectives The contributions are grouped thematically into three sections Part I The Personal Travel Narrative Constructing the Self Through Encounters with the Other offers close readings of travelogues both published and unpublished Part II Constructing a National Identity Through Tourism details the ways that nations and states market themselves to tourists Part III The Meaning of Journey The Meaning of Destination investigates places both real and created and the ways people travel to get to them **Rebel Cinderella** Adam Hochschild, 2020-03-03 From the best selling author of King Leopold's Ghost and Spain in Our Hearts comes the astonishing but forgotten story of an immigrant sweatshop worker who married an heir to a great American fortune and became one of the most charismatic radical leaders of her time Rose Pastor arrived in New York City in 1903 a Jewish refugee from Russia who had worked in cigar factories since the age of eleven Two years later she captured headlines across the globe when she married James Graham Phelps Stokes scion of one of the legendary 400 families of New York high society Together this unusual couple joined the burgeoning Socialist Party and over the next dozen years moved among the liveliest group of activists and dreamers this country has ever seen Their friends and houseguests included Emma Goldman Big Bill Haywood Eugene V Debs John Reed Margaret Sanger Jack London and W E B Du Bois Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers She campaigned alongside the country's earliest feminists to publicly defy laws

against distributing information about birth control earning her notoriety as one of the dangerous influences of the country from President Woodrow Wilson But in a way no one foresaw her too short life would end in the same abject poverty with which it began By a master of narrative nonfiction Rebel Cinderella unearths the rich overlooked life of a social justice campaigner who was truly ahead of her time **South Africa as Apartheid Ends** Newell Maynard Stultz,1993

Revolutionary Armies in the Modern Era S.P. Mackenzie,2013-01-11 This presents a major re evaluation of the standard view of revolutionary armies the range of attitudes towards the role of heroic individuals the formation and leadership of armies and the differences and similarities between such armies Beginning with an exploration of the New Model Army of the 1640s a force whose name itself seems to denote its revolutionary credentials the author presents ten case studies from around the globe including the American War of Independence The French Revolution The Zulu Boer War the Waffen SS and the Viet Cong Through a detailed analysis of source material he examines the images connected with these armies both historical and recent and assesses these images in their socio political and nationalist contexts To End All Wars Adam Hochschild,2011-04-11 In this riveting and suspenseful New York Times best selling book Adam Hochschild brings WWI to life as never before World War I was supposed to be the war to end all wars Over four long years nations around the globe were sucked into the tempest and millions of men died on the battlefields To this day the war stands as one of history s most senseless spasms of carnage defying rational explanation To End All Wars focuses on the long ignored moral drama of the war s critics alongside its generals and heroes Many of these dissenters were thrown in jail for their opposition to the war from a future Nobel Prize winner to an editor behind bars who distributed a clandestine newspaper on toilet paper These critics were sometimes intimately connected to their enemy hawks one of Britain s most prominent women pacifist campaigners had a brother who was commander in chief on the Western Front Two well known sisters split so bitterly over the war that they ended up publishing newspapers that attacked each other Hochschild forces us to confront the big questions Why did so many nations get so swept up in the violence Why couldn t cooler heads prevail And can we ever avoid repeating history *New York Magazine* ,1990-12-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Spain In Our Hearts** Adam Hochschild,2016-03-29 A NEW YORK TIMES BESTSELLER A sweeping history of the Spanish Civil War told through a dozen characters including Hemingway and George Orwell A tale of idealism heartbreaking suffering and a noble cause that failed For three crucial years in the 1930s the Spanish Civil War dominated headlines in America and around the world as volunteers flooded to Spain to help its democratic government fight off a fascist uprising led by Francisco Franco and aided by Hitler and Mussolini Today we re accustomed to remembering the

war through Hemingway's *For Whom the Bell Tolls* and Robert Capa's photographs. But Adam Hochschild has discovered some less familiar yet far more compelling characters who reveal the full tragedy and importance of the war: a fiery nineteen-year-old Kentucky woman who went to wartime Spain on her honeymoon; a Swarthmore College senior who was the first American casualty in the battle for Madrid; a pair of fiercely partisan rivalrous New York Times reporters who covered the war from opposite sides; and a swashbuckling Texas oilman with Nazi sympathies who sold Franco almost all his oil at reduced prices and on credit. It was in many ways the opening battle of World War II and we still have much to learn from it. *Spain in Our Hearts* is Adam Hochschild at his very best. With all due respect to Orwell, *Spain in Our Hearts* should supplant *Homage to Catalonia* as the best introduction to the conflict written in English. A humane and moving book. *New Republic*. Excellent and involving. What makes Hochschild's book so intimate and moving is its human scale. Dwight Garner, *New York Times*. **New York Magazine**, 1990-12-03. *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *African Studies Review*, 1991. **The Graves Are Not Yet Full Race, Tribe And Power In The Heart Of Africa** Bill Berkeley, 2001-03. The author presents situations and personalities of Africa as he knows them along with the theory that Africa's ruinous conflicts are not a product of age-old hatreds but of calculated tyranny. Jacket

African Women in Revolution Wunyabari O. Maloba, 2007. Extrait de la couverture. The revolutionary movements covered in this book occurred in Algeria, Kenya, Guinea-Bissau, Mozambique, Angola, Zimbabwe, and South Africa. The book describes and analyzes the nature and impact of women's participation in these revolutionary movements. How did these revolutionary movements define women's liberation? What is the linkage between feminist theories of liberation and national liberation? Did the national liberation movements betray women? And what has been the fate of the original commitments and impulses toward women's liberation and gender equality? **Joint Acquisitions List of Africana**, 1991. *Cassette Books*. Library of Congress. National Library Service for the Blind and Physically Handicapped, 1993. **World Authors 1990-1995** Clifford Thompson, 1999. Representing a broad range of ethnic diversity, these in-depth profiles present fascinating accounts of lives and careers, the circumstances under which works were produced, and their literary significance. Each profile also includes critical evaluation, a list of the author's principal works with date first published, a list of major critical works, and a portrait or photograph where available. *San Francisco Review of Books*, 1989. **The Black Elite** Lois Benjamin, 2005. Using in-depth interviews of high-achieving African Americans who came of age prior to or before the Civil Rights movement and those who grew up in the post-Civil Rights era, this book documents that race still matters in the twenty-first century. The work details the lived experiences of African Americans and how they grapple daily with what W. E. Du Bois called the double

consciousness living within and between two worlds A new chapter details how the post Civil Rights generation interprets and navigates the racial terrain differently than the Civil Rights generation which has implication for group identity and group mobility

The Top Books of the Year Mirror At Midnight A South African Journey The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Mirror At Midnight A South African Journey : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
