Miniature Photography:

Creative with Miniature Photography Risnandar Waris, 2024-09-17 This book is a collection of the author's miniature photography works accompanied by explanations on how to generate ideas or concepts and ultimately transform them into unique and captivating photos. Everything about miniature photography is thoroughly discussed based on the author's experience during his involvement in this field. This book is a compilation of the author's miniature photography works that have been previously published on social media. It also delves into all aspects of miniature photography that the author has been engaged in representing a complete overhaul of the earlier book *Kreatif Dengan Miniatur Fotografi* which was initially released in limited quantities for a select audience in 2020. **From A Certain Point Of View** Dave

DeBaeremaeker, 2024-02-12 Miniature photography is a quirky engaging genre of photography perfect for modern day storytelling at Hollywood scale without the Hollywood budget. All you need is a miniature figure, a camera, and the knowledge to make that miniature look life size and realistic. Contained in these pages is over fifteen years of experience turning LEGO action figures and collectable figurines into works of art. This book covers tips and tricks for posing figures, lighting, and camera techniques and so much more. Inside is everything you need to know to make amazing photographs using nothing more than miniature figures and your imagination. Tell your biggest stories with the smallest things. *The Photo-miniature*
