Ministry In The Small Church:

A Place Where Everybody Matters Jean Risley, 2010-02-17 Small churches need the work of all of their people to survive and this means that there is a productive place in the church family for every person no matter how gifted or challenged Small churches are uniquely personal and they provide an unparalleled opportunity for Christians to learn grow and live out their faith consciously every day Small churches become a family children of God and brothers and sisters of Jesus together There is no place to hide in a small church The normal human dramas of good and evil sin and repentance forgiveness and reconciliation all happen in our relationships in the family A small church is a place where people can serve an apprenticeship in faith learning from those before them and passing on their experience to those around them In a small church the pastor provides context by preaching and teaching serves as a role model in encouraging the ministry of others and by loving the people helps them see themselves through God's eyes The rest is up to the people themselves and to God

Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches

Pastoring the Small Church Randy Raynes, 2017-11-30 I have read that half of the churches in America have seventy five or fewer attendees thus half of the churches in America are small churches Yet the same survey says that most church goes in America go to the larger churches If half of the churches are small churches then it stands to reason that the majority of pastors are pastoring the smaller churches It stands to reason then that it is more likely that God s will for you is to pastor a small or smaller church The problem is that most colleges do not teach its future pastors how to pastor a small church and stick with it Most small churches are just stepping stones used by the pastor to reach that larger ministry that more lucrative and more successful ministry opportunity The general thought that is taught and promoted is that the small churches are to become bigger and if not then the pastor leaves for greener and bigger pastures The first volume in this set of books Pastoring the Small Church The Comparison Game deals with the subject of the small church This second volume deals with the pressures of the ministry from a small church perspective It is the result of thirty eight years of experience in the ministry There are pressures that are a part of any ministry yet come with a uniqueness that belongs to the small ministries Included in the book are Ministry Pressure Performance Pressure Financial Pressure People Pressure Family Pressure and Sacrificial Pressure In section two of the book we look at some points on how to deal with problems in the ministry what to do when overwhelmed and how to deal with loneliness in the ministry Every ministry deals with these issues yet they cannot all be resolved or endured the same The size of the church has much to do with how they are handled This three volume set is written so as to provide some Bible truths about the ministry from the
