Kelly,2012-11-17 The new text based approach to learning musical scales The text based approach has proved popular and effective with pupils as well as parents who often struggle to help their children practise scales at home if they have little or no musical knowledge themselves This method can be used for whole class music teaching and has also been helpful to dyslexic pupils Alpha Scales promotes the use of the musical alphabet the first 7 letters of the normal alphabet as a never ending linear line This provides structure and helps take out the mystery of what note comes next Sharps flats naturals collectively know as accidentals are then added to the musical alphabet line Having ascended the scale pupils are encouraged to travel back down the alphabet line the same way they came up In the case of melodic minor scales different accidentals are placed underneath the alphabet line on the way down Pupils are also encouraged to practise their scales by saying the note names out loud while doing the corresponding fingering on their instrument They should then say the names of the notes in their head as they play the scale

### **Scales Are Fun!**

Yekaterina Afonasyeva,2015-03-13 This book has 36 different piano pieces which are presented in all major and minor keys There are 12 pieces in major keys and 24 in minor keys harmonic and melodic natural In the Extra section there are 9 pieces in enharmonically equivalent keys F Major piece is the same as previously presented Gb Major piece C is the same as Db Major Cb is the same as B Major D is the same as Eb Minor A is the same as Bb Minor and Ab is the same as G Minor piece By learning the pieces with the fingering assigned to each note the performer will be able to play all scales with correct fingering

**Get Ready for Minor Scale Duets!** Wynn-Anne Rossi,Victoria McArthur,2000 This second volume of scale duets shifts the focus to minor scales tackling the problem of student motivation through teacher duets activity pages review games and more This innovative approach helps make scales an enjoyable part of daily practice

**Break into the Melodic Minor Scale** Graham Tippett,2020-06-13 The Melodic Minor Scale is essential for every advanced improviser as it provides some very usable options for soloing on minor dominant altered dominant and even major chords For me it was a very accessible way to step outside the confines of diatonic harmony and get some of those other tones into my playing like

my heroes John Scofield Mike Stern and Allan Holdsworth among many others The Melodic Minor Scale is very subtle and requires you to spend some time really listening to it before it reveals itself This can be achieved by getting it onto the fretboard through consistent practice which is what this book is all about Here you ll find the patterns for all 12 Melodic Minor Scales with their corresponding triads seventh chords and modes BONUS If you ve studied the patterns in Hacking the CAGED System Book 1 or Major Scale Modes Designed for the Guitar you ll have a huge head start as these Melodic Minor patterns are based on the Major Scale ones used in those books In this book our focus is less on theory and more on getting the information onto the fretboard then when you come to learn the theory behind it you ll be able to apply it in a practical way Indeed if you check out Hacking the CAGED System Book 2 it contains these patterns plus an in depth look at the chords arpeggios and modes of the Melodic Minor Scale and the theory behind them [My Scale Book](#) David

Hirschberg,1999-12-07 This pedagogically sound guide to the essential major and minor scales provides scale exercises needed to prepare students for the technical challenges found in intermediate repertoire Scales are presented as quarter notes in one octave eighth notes in two octaves triplets in three octaves and sixteenth notes in four octaves My Scale Book may be used with the Technic Is Fun series to assist students and performers in developing a strong musical and technical foundation
