 major, op. 15 Ernő Dohnányi, 1907 Ernst von Dohnányi 1877 1960 Ern Dohn nyi in Hungarian is generally regarded after  
 Liszt as Hungary's most versatile musician He was active as a concert pianist composer conductor and teacher and must be  
 considered one of the chief influences on Hungary's musical life in the 20th century Certainly his chamber music is very fine  
 with most of it being in the masterwork category Yet sadly and inexplicably it has virtually disappeared from the concert  
 stage Dohnányi studied piano and composition in his native Pressburg Bratislava before entering the Budapest Academy His  
 first published work his Piano Quintet No 1 was championed by no less an authority than Johannes Brahms Upon graduating  
 in the spring of 1897 Dohnányi embarked on a dazzling career as a concert artist often playing in chamber ensembles Later  
 he also devoted considerable time to teaching and conducting String Quartet No 2 dates from 1906 and was premiered to  
 great critical acclaim It is in three movements The first movement Andante Allegro begins with a slow broad rising  
 introduction It is the most important melodic theme of the entire quartet and serves as its motto motif The Andante is  
 immediately interrupted by a brief Allegro burst of energy An Adagio interrupts the Allegro momentarily before it is allowed  
 to begin in earnest Particularly striking is the fact that it takes place at a rapid tempo while simultaneously the main theme  
 the motto is played at its original slow tempo It sounds as if one is hearing two widely different tempi at once It is an  
 extraordinary effect and makes an incredible impression The second movement Presto acciaccato is a scherzo opening with a  
 relentless driving rhythm in the cello Superimposed periodically on top of this rhythm are warning chords which create a  
 menacing mood of evil The choral theme of the trio is a pure and innocent prayer The final movement might well have been  
 subtitled Apotheosis Although beginning Molto Adagio it consists of several other important sections More accurately it  
 should be entitled Molto Adagio Animato Adagio Andante Allegro It begins in a hushed mood similar to the trio section of the  
 preceding scherzo Suddenly there is a powerful angry outburst as the Animato dramatically explodes full of passion our  
 sound bite begins here In the final part of the Animato we hear for the first time the entire exposition of the opening Adagio  
 powerfully stated by the viola against a ethereal accompaniment in the violins playing high on their e strings The dramatic

high point is reached toward the end of the Andante when it comes time for the restatement of the opening motto The two violins slowly climb ever higher the second echoing the first each step of the way <http://www.editionsilvertrust.com/dohnanyi/string-quartet-no2.htm>      **String Quartets, Opus 1** Carlo d' Ordoñez, 1980-01-01      **The Best of Schubert: String Bass** Paul Paradise, 1988 Contents are Adagio from Quartet No 10 Allegretto from Quartet No 7 Allegretto from Quartet No 13 Allegro from Quartet No 2 Allegro from Quartet No 6 Allegro from Quartet No 8 Andante from Quartet No 1 Andante from Quartet No 4 Andante from Quartet No 6 Andante from Quartet No 13 Menuetto from Quartet No 1 Menuetto from Quartet No 3 Menuetto from Quartet No 4 Menuetto from Quartet No 9 Presto from Quartet No 7 Scherzo from Quartet No 15
