**You Can't Put God in a Box** Kelly Besecke, 2014 Kelly Besecke offers an examination of reflexive spirituality a spirituality that draws equally on religious traditions and traditions of reason in the pursuit of transcendent meaning People who practice reflexive spirituality prefer metaphor to literalism spiritual experience to doctrinal belief religious pluralism to religious exclusivism or inclusivism and ongoing inquiry to final answers Reflexive spirituality is aligned with liberal theologies in a variety of religious traditions and among the spiritual but not religious You Can't Put God in a Box draws on original qualitative data to describe how people practiced reflexive spirituality in an urban United Methodist church an interfaith adult education center and a variety of secular settings The theoretical argument focuses on two kinds of rationality that are both part of the Enlightenment legacy Technological rationality focuses our attention on finding the most efficient means to a particular end Reflexive spiritualists reject forms of religiosity and secularity that rely on the biases of technological rationality they see these as just so many versions of fundamentalism that are standing in the way of compelling spiritual meaning Intellectual rationality on the other hand offers tools for analysis interpretation and synthesis of religious ideas Reflexive spiritualists embrace intellectual rationality as a way of making religious traditions more meaningful for modern ears Besecke provides a window into the progressive theological thinking of educated spiritual seekers and religious liberals Grounded in participant observation her book uses concrete examples of reflexive spirituality in practice to speak to the classical sociological problem of modern meaninglessness

**Minyan** Rabbi Rami Shapiro,Rami M. Shapiro,1997-08-19 A path of daily living based on ten spiritual practices that have been used by Jews for centuries MINYAN is an invaluable source of inspiration and insight not only for those large numbers who are returning to Judaism but for people of all faiths who are looking for a way to integrate spirituality into their daily lives     [Index to Jewish Periodicals](#) ,1999 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests     [Nectar #1](#) Babaji Bob Kindler,Lex Hixon,Purnoham Rob Reno,Annapurna

Sarada,2000-09-25 In this first issue of Nectar the Universal Mother's transcendent wisdom we offer articles on Vedanta on Sufi Meditation and teachings from the Tantric Wisdom of Mother India There is an article on Nondual Judaism focused on Jewish spiritual practice and of course the Wisdom Facets from the Gem of Truth teachings from our SRV ideal Sarada Ramakrishna and Vivekananda whose matchless love and wisdom will grace every future issue In all these articles indivisible unity called Advaita or nondualism is greatly emphasized This is one of the aims of our SRV journal to show that all practice along the spiritual path can and should be undertaken with the fore knowledge of our essential oneness with God As my guru used to tell me Grace and self effort must go hand in hand Human beings are expressions of God pure and perfect by nature but the mind needs to know this This knowing is called Enlightenment Illumination Liberation or Self realization and cannot be feigned nor can the integrity of the path leading to It be compromised     **Tikkun** ,2000     [AJL Newsletter](#) Association of Jewish Libraries,1998     *The Jewish Spectator* ,1997     [Heal Your Soul, Heal the World](#) June Cotner,1998 While collecting poems and prayers for two of her recent books June Cotner noticed that many of the award winning poets submitted

beautiful poetry that didn't meet the themes of either of the books she was working on yet seemed to fall into a natural grouping of their own The selections in Heal Your Soul Heal the World are all tied to the theme of global harmony and the interconnectedness between all things in the universe As we approach the new millennium people are realizing that differences they once thought were enormous have been minimized in the spirit of unity in diversity That's the focus of Heal Your Soul Heal the World an illuminating book that reflects on the connections between humanity spirituality and nature Through some 150 prayers and poems Heal Your Soul Heal the World offers comfort healing and inspiration to everyone who lives in this ever changing world In Heal Your Soul Heal the World a wealth of writers offer compelling reflections about the universe in powerful verse from Martin Luther King Jr to Gandhi from Mother Teresa to the Buddha and from Walt Whitman to lesser known visionary poets Divided into easily referenced chapters to aid those looking for a prayer or poem to fit a particular occasion Heal Your Soul Heal the World covers a wide variety of themes such as love wonder tolerance and hope
