Frederick Wright,1913 The Princeton Theological Review ,1910 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31

The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Miracle and Science Francis J. Lamb,2017-12-25 Excerpt from Miracle and Science Bible Miracles Examined by the Methods Rules and Tests of the Science of Jurisprudence as Administered to Day in Courts of Justice The Introductory Chapter presents generally the plan of this work The following indicates the occasion and purpose of its production Observers in late years have known that multitudes classified in Christian categories have suffered loss of faith in the Bible To them the Bible has ceased to be the Word of God ceased to be the record in hu man language of revelations of God to man of His love law and economy of grace Its counsels are no longer to them regulative authority in matters of religion and spiritual life On the contrary the Bible has become to them mere literature the product solely of human thought with no element whatever of divineness in its production Embraced in this class are many in the Christian ministry in educational work and in the laity of the churches About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
