Robinson, 2009-09 When the student is ready the teacher will appear. The Matrix is a system Neo and that system is our enemy. When you are inside you look around and what do you see? You see businessmen, teachers, lawyers, carpenters, the very minds of the people we are trying to save. Until we do these people are part of that system and that makes them our enemies. You have to understand most of these people are not ready to be unplugged and many are so hopelessly dependent on the system they'll fight to protect it. The Matrix is everywhere. It is all around us. Even now in this very room. You can see it when you look out your window or when you turn on your television set. You can feel it when you go to work, when you go to church, when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth. Morpheus in the Movie The Matrix. Just as all the truths of God's reality are basically simple once we let ourselves discover them so MAINE STREET MIRACLE reveals the beautiful but simple truth of how the individual in America today can restore freedom. This book is free from hate, hostility or revenge. The positive, loving nature of its answers give it its great power. Its course of action is educational, revealing and fun. Read it and try its recommendations. You'll like yourself more for doing so. And your children will love you for it.
