*Miracles Happen When Women Pray* Joy Haney, 1999-12      **Miracles Happen When Women Pray** Bobbye Byerly, 2002-02-05 What happens when an ordinary woman surrenders her prayer life to the Holy Spirit's leading? The author shares her lifelong adventures with the Holy Spirit showing how miracle-producing prayer is God's intended norm, not the exception for praying women. The author's stories and teaching will build the reader's faith and understanding of the power of intercession: that prayer is a partnership to bring about God's will on earth. When we surrender our own agendas seeking only to hear God's voice, our prayers release His power into situations and bring about supernatural results. Understanding God's ways and His character changes us, making us conduits for His power and purposes in this world.      **Women & Monks** Iosif Fedorovich Kallinikov, 1930      Contemporary Authors Scot Peacock, Terrie M. Lummis, Allison Stokes, 1994 American women Catholic and Protestant tell what it's like to be a woman in the church as a new millennium approaches. Women and religion are at a crossroad, writes a Roman Catholic mother from New Mexico. If women are not taken seriously and their talents recognized, there will be serious consequences. I've had three daughters and they are not drawn to current religious traditions. They see no place for women. Why join such confusion? This groundbreaking book documents in the words of the women themselves the pain, frustration, and creative tension experienced by those who embrace feminist values within the context of institutional religion. It reveals how a growing number of them are taking responsibility for their own spiritual and religious lives. Hundreds of women from all denominations also speak here of an emerging feminist spirituality supported and nurtured in women's groups which transcend traditional religious boundaries. Responding to the call to live justly, women are celebrating their own liturgies, envisioning a more inclusive future, and empowering one another to challenge patriarchal religion, and they are in the process redefining Church. The book shows that many of these women are remaining within the established churches but on their own terms as potential agents of transformation in congregations and denominations as women who are defecting in place.
