**Unveiling the End Times in Our Time** Adrian Rogers,Steve Rogers,2013-09-15 The one who reads this is blessed and those who hear the words of this prophecy and keep what is written in it are blessed because the time is near Revelation 1 3 HCSB Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the blessing book of Revelation with Unveiling the End Times in Our Time Indeed Revelation offers every Christian believer a dramatic and hope filled overview of what the end of days will be like Although some think Revelation is confusing or even scary with its talk of dragons and beasts the text contains a proper understanding of where his tory is headed Rogers makes clear how the signs of the times already reveal God s plan for bringing his people to full redemption empowering us to live boldly while expecting the return of King Jesus as the triumphant Lamb

## **Discerning Our Time** Richard

Bettez,2017-04-18 Discerning Our Time A Layman s Guide to End Time Events in America is a compelling look at historic and political trends that push the reader to look upon biblical facts as to where America fits in concerning future events This book is an easy read for people of all backgrounds and education levels It is a breakdown of exactly what scripture means from original language to historical settings that all connect to American society as we know it today Though this book gives greater enlightenment to the Christian community and is a solid resource for pastors to draw from it will truly be an eye opening experience for the open minded unbelievers or those who do not consider Christianity of any consequence within their lives The changes within American society and our culture as well as our political choices are highlighted within the word of God In this book they are accurately brought out Church denominations are put to the test as historical truths are revealed and many falsehoods about Christianity are dispelled Truth about American education business and government are documented with the light of scripture shining right next to the facts so the reader can judge for themselves Many teachers pastors and theologians don t believe America plays a significant role in the end times Some teach that it will be wiped off the map No one truly knows exact dates or for that matter what the antichrist will look like but there is a definite template laid out within the Bible America fits comfortably in that template This book is a must read if you are interested in what direction America is heading and who will rise to power in the near future
