*Studying Religion, Past and Present* Nickolas P. Roubekas, Dimitris

Xygalatas, Luther H. Martin, Donald Wiebe, 2024-09-05. Celebrating the contributions of Panayotis Pachis to the field this book discusses the past present and future of the study of religion in antiquity and modernity. Panayotis Pachis has dedicated his celebrated career at the Aristotle University of Thessaloniki to the study of various aspects of ancient religions. The contents of this book reflect Pachis conviction that the study of religious ideas and practices should be focused on three pillars the study of history the formulation and application of theoretical frameworks and the utilization of traditional as well as innovative methodological tools. Chapters range from the scientific study of Roman Graeco religions cultural evolution and neurocognitive theories in the history and study of religion to a look at why we need an integrative approach to study religion past and present.
