Hettinger,1960    *The Alchemy of Prayer* Loretta M. Siani Ph.D.,2011-04-15 The Alchemy of Prayer offers an eminently readable step by step spiritual guide that puts the complex metaphysics of prayer taught in A Course in Miracles into everyday terms If you're skeptical about the power of prayer or have little faith in the traditional Christian approach to prayer this book is for you Its central thesis is that prayer is not an act of communication that begins with us and ends with God but rather that it is an act of communication that begins with God and ends with us were it not for this fact wed be oblivious to prayer Indeed The Alchemy of Prayer proposes that we were actually created out of prayer The power surge that emanated out of Gods first prayer not only sparked us into existence it forever established our minds as natural channels for receiving and sending His same kind of prayer This explains why today eons after creation were still wired for prayer Moreover it also explains why prayers not modeled after Gods primal prayer seemingly go unanswered All of this begs the question how is it that we've forgotten how to pray the way God wired us to pray How is it that the apple has fallen so far from the tree This intellectually engaging book seeks to answer these questions for you and aims to provoke a sea change in your fundamental thinking about the kind of God in which you believe as well as what true prayer really is    **Define Your Destiny Through Prayer**

*You Need a Miracle* Linda Evans Shepherd,2012-07 In this powerful book Linda Evans Shepherd shows readers how to reach out to God and ask for a miracle She shows how God's miracles may not come packaged in the ways we would expect but they do come in ways that will transform our lives How to Invite God Darlantine Uche DANIELS-ADUDU,2020-01-09 HOW TO INVITE GOD TO WORK MIRACLES The essence of this book is to extensively navigate you on how to unlock the gates of miracle spiritually and physically through prayers and fasting As a Christian you have to be outstanding and not just standing Hence it is natural to desire miracles There is no other way of really knowing how virtuous God is other than to invite Him into your life and receive the sweetness of His grace There are certain things particularly in the deep end of your religious life which can only be well understood by experiencing it on a personal level of which this book will teach you When you invite God into your life through prayer and fasting miracle will begin to rain We cannot talk about miracle without prayer Prayers make miracles happen miracle is the manifestation of prayer Therefore for us to invite God to work miracles in our lives we have to pray We constantly pray but sometimes our prayers crash lands even before take off due to numerous factors which herein I refer as missing links THE MISSING LINKS TO YOUR BREAKTHROUGH AND MIRACLE Prayer and fasting Prayer and sowing a seed Praying in agreement with God's will Being a prayer warrior The Lord's Prayer The pillars of prayer Sin Making God your last option Not praying in agreement with God's will Fighting spiritual battles by yourself PRAYER AND THE POWER OF SOWING A SEED Sowing and reaping is the law of the natural world On the third day of creation God commanded the earth to bring forth living plants bearing seed and fruit with seed in it Genesis 1:12 NIV The Lord's Prayer it is like a navigator compass and complete model on how Christians should pray The Lord's Prayer is a very powerful prayer that can unlock miracles In this book the meaning interpretation and application is extensively discussed THE SPIRITUAL PILLARS OF PRAYER In order to attain stability reliability and strength through prayers we have to connect to its spiritual pillars FAITH BELIEVE TRUST HINDRANCES TO PRAYER AND MIRACLE Making God your last option Fighting battles by your strength For us to successfully invite God to work miracles in our lives in addition to all the topics I have discussed previously we have to deal with these various factors Pray the right prayers with faith trust and believe in God Also in extreme situations we have to pray and fast Praying in agreement with Christians and pray continuously till the power of God comes into it Praying the right prayers is very essential because you can't be a beneficiary of negative and reversing prayers Daniels Adudu Darlantine Uche *The Miracle of Answered Prayer* John Greener Hallimond,1916
