## **Miradas Encendidas:**

La mirada secreta Flora Guzmán, 2012-05-04 Flora Guzmán investigadora y ensayista ha reconstruido con sutil inteligencia algunos puntos de esa inmensa constelación que es la mirada femenina esas visiones que dada y a pesar de los escollos las mujeres se proponen imponer para dar luz nada menos que a la otra mitad del universo Porque hoy el universo femenino conserva una zona secreta o invisible Cuel es la razón por la que en el siglo XXI es preciso rescatar de la experiencia de mujeres excepcionales los fundamentos de sus obras las motivaciones de su creación la tensión de sus luchas Sin duda porque hace siglos algunas décadas que el rol de la mujer está desplazándose lentamente desde un margen ignorado hacia un centro de equidad y reconocimiento La mirada secreta es un recorrido por los espacios de b squeda y audaz transgresión de varias mujeres entre ellas de tres nombres singulares Juana Manuela Gorriti Virginia Woolf y Frida Kahlo paradigmas cada una a su manera del esfuerzo de las mujeres por conquistar el mundo exterior f rreamente negado por siglos a sus voluntades creativas Pero sin desdeñar la observación que proviene de la orilla opuesta los escritos de un filósofo Ortega y Gasset y las imágenes de dos pintores Vermeer y Hopper La crítica ha dicho Siempre resulta grato cuando una académica deja ver su costado por decirlo de alguna forma más vulnerable y se permite ofrecer un itinerario de sus búsquedas y obsesiones despojada del andamiaje de la teoría y su arduo léxico La mirada secreta Visiones y revisiones de lo femenino es exactamente ese tipo de libro Mariana Enriquez P gina 12 Radar **El espacio torcido** Juan Carlos Rocha

Osornio, 2015-10-01 Este libro describe y analiza la forma en que los personajes homosexuales masculinos y o gays asumidos y no asumidos interactúan en su devenir cotidiano dentro del marco de cuatro novelas y un libro de relatos entre el periodo que comprende 1977 1997 en México El denominado por el autor espacio torcido es un espacio que además de estar en pleno proceso de construcción en tránsito sirve para reafirmar la existencia de una relación profundamente ambigua entre los polos hetero y homosexual A través del análisis de las obras se revelan aspectos de los personajes que luchan por coexistir dentro de un ámbito en el que la identidad gay se antepone o entra constantemente en conflicto con los valores tradicionales de la sociedad heteronormativa patriarcal tales como la represión homosexual las tradiciones papeles de género activo vs pasivo el rechazo a los homosexuales enfermos de SIDA y el fracaso de las relaciones de pareja entre varones Este espacio es también en sumo grado revelador del proceso de edificación en el que se posiciona la narrativa mexicana de temática homosexual masculina y que al mismo tiempo augura una suerte de nuevos retos impuestos a los escritores deseosos de abordar el tema para que sus obras logren superar las tramas cursis y poco críticas *LA HERENCIA DE EL ENCANTO* RAÚL D.

MONTOYA, 2013-07 El Encanto al igual que otros poblados del estado de Veracruz se caracteriza por lo aberrante de su gente Por un lado quienes glorifican en público a Epifanio Martínez en privado lo maldicen Muchos quieren ser como él pero aborrecen que su estirpe haya mantenido en perpetua desgracia al poblado Nadie sabe con exactitud cuándo fue el día en que los pueblerinos quedaron a merced de tanta humillación Lo perverso de su verdugo confunde a la gente con la idea de que este

todo lo puede con el poder de su dinero hasta que en el horizonte aparecen Gabino Domínguez y Gervasio García provocando que el cacique viva sus peores días Sin querer el par de campesinos sufren con una experiencia que los horroriza de pies a cabeza en la derruida ex hacienda de El Encanto A partir de ese momento la vida en El Encanto ya no es la misma Muchos al igual que Gabino y Gervasio creen que Epifanio tiene pactos con el demonio Y el par de campesinos tienen razones de sobra para pensar así Sin embargo ambos se dan cuenta que el cacique no es el mito que todos creen Así poco a poco Gabino y su inseparable amigo con la ayuda de la familia Ruvalcaba recorren el velo que mantuvo por tanto tiempo postrado al poblado

*Killer Crónicas* Susana Chávez-Silverman, 2004-09-15 A woman living and communicating in multiple lands Susana Chávez Silverman conveys her cultural and linguistic displacement in humorous bittersweet and even tangible ways in this truly bilingual literary work These meditative and lyrical pieces combine poignant personal confession detailed daily observation and a memorializing drive that shifts across time and among geocultural spaces The author's inventive and flamboyant use of Spanglish a hybrid English Spanish idiom and her adaptation of the confessional crónica make this memoir compelling and powerful *Killer Crónicas* confirms that there is no Latina voice quite like that of Susana Chávez Silverman **Obras**

**completas** Blanca de los Ríos de Lampérez, 1912 **Reflejos del alma** Manuel Jesús Cantalejo Romero, 2016-04-13

Conjunto de veinte relatos donde navegar por el interior de nuestra Alma dejarnos llevar por sueños por pensamientos que en el día a día no podemos conseguir ver Te vas a adentrar en un mundo mágico y real el de los sentimientos simplemente por el placer de sin pensar saber que tu Alma está viva Mucho Macho Chris Girman, 2013-12-16 Quality research uniquely enhanced by the author's personal experience In one of the first books to examine machismo from the perspective of Latin American and Latino men Chris Girman relies on a compelling combination of ethnographic research and personal experience to explain how macho men like the author himself regulate and sustain same sex erotic encounters Girman incorporates his own sexual experiences with a variety of Latin men into the book infusing his writing with the unique perspective and vivid description that can only be related by someone who has lived the research he writes about While most of the literature on Latin American male same sex desire ignores the significance of the male body in its investigation this book shows why it is essential to focus on the macho male body and re-evaluates so-called machismo to forge a more nuanced description of Latin American masculinity Girman incorporates his own sexual experiences with a variety of Latin American men into the book infusing his writing with the unique perspective and vivid descriptions that can only be related by someone who has lived the research he writes about With this book you'll become familiar with various kinds of Latin American homosexual behavior Here's a glimpse at what you'll find inside Machismo Practice Theorists and Macho Performance summarizes previous research on Latin American male homosexuality and defines the author's concept of machismo and Latin American masculinity Head Hands Balls and Ass shows why focusing on the body as living matter rather than metaphor as is done in so many other books on sexuality is the ideal point of entry into the study of Latin American male homosexuality

and masculinity This chapter focuses on specific regions of the macho bodyhead hands balls and assto explain how machismo actually promotes rather than denies sexual encounters between men It also shows the importance of the Latin American family as a variable that structures the manner and frequency in which homo sexual encounters occur The Dominican Tiguere and Hegemonic Masculinities takes a specific look at a very peculiar form of hegemonic masculinityrelying on cunning more than strength to come out on topthat is indigenous to the Dominican Republic This chapter also tells the stories of five of the author s sexual encounters in that nation and discusses the tiguere style of masculine performance Desire in a Costa Rican Prison analyzes the ways in which desire power and pleasure are constituted in the Latin American prison environment Historical Representations of Same Sex Desire examines two short storiesEl Matadero Esteban Echeverria and Comienza el Desfile Reinaldo Arenas which highlight male eroticism as important concepts within discourses on national identity Both stories conceptualize same sex desire within specific historical moments and demonstrate how male homo sexuality emerges and represents itself not in contrast to the dominant discourse but within that discourse itself Familiar Familial Voices Latino Men Speak Out documents the voices of gay identified Latino men living in Central Texas men who have come to love other Latin Black and Anglo men in the context of very full lives These men reveal their conceptions of identity race performance resistance family pleasure desire masculinity silence and place Performing Matter s Masculinity the Male Body and the Evocation of the non real defies the notion that written representations can capture the lived realities of Cuartillas Carlos Groizard y Coronado,1886 **From Romanticism to Modernismo in Latin America** David William Foster, Daniel Altamiranda,1997 This volume traces the modern critical and performance history of this play one of Shakespeare s most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory *Del fondo del abra* Erasmo Castellanos Quinto,1919 **Esperanzas y recuerdos** Blanca de los Ríos de Lampérez,1912 **Los bosques de la mirada (Poesía reunida 1984-2009)** Basilio Sánchez,2010-01-01 Los bosques de la mirada Poesía reunida 1984-2009 recoge toda la obra poética de Basilio Sánchez con la excepción de su primer libro ya que el poeta ha reconocido su voz y su mundo más personales a partir de la segunda de sus obras Este volumen contiene pues veinticinco años de escritura y se cierra con algunas muestras hasta el momento inéditas del presente creativo del autor La poesía de Basilio Sánchez avalada por algunos premios importantes ha sido destacada por la crítica como una de las más sugerentes expresiones de poesía meditativa contemporánea que no se queda en una contemplación ensimismada como punto de partida y de llegada sino que muestra sobre todo en sus últimos libros su vocación de conquista moral en un mundo en el que los pilares ticos se ven agredidos El lector de Los bosques de la mirada tendrá que recoger dos motivos simbólicos muy importantes en la poesía de Basilio Sánchez podrá apreciar en este volumen esa fidelidad de tono que ha hecho de la escritura de este autor un lugar apacible El sueño de Alonso Quijano Horacio Maldonado,1920 **Revista Filipina** ,1919 Mis recuerdos de Italia Víctor Balaguer,1890 **Gil** Víctor Pérez Petit,1905 Novísimo Romancero Español ,1878 **La**
