Mirror Of Criticism Selected Reviews 1977 1982:

The Mirror of Criticism Gabriel Josipovici, 1983 The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading Graham Greene's Thrillers and the 1930s Brian Diemert, 1996 In Graham Greene s Thrillers and the 1930s Brian Diemert examines the first and most prolific phase of Graham Greene s career demonstrating the close relationship between Greene s fiction and the political economic social and literary contexts of the period Situating Greene alongside other young writers who responded to the worsening political climate of the 1930s by promoting social and political reform Diemert argues that Greene believed literature could not be divorced from its social and political milieu and saw popular forms of writing as the best way to inform a wide audience Diemert traces Greene s adaptation of nineteenth century romance thrillers and classical detective stories into modern political thrillers as a means of presenting serious concerns in an engaging fashion He argues that Greene s popular thrillers were in part a reaction to the high modernism of writers such as James Joyce Gertrude Stein and Virginia Woolf whose esoteric experiments with language were disengaged from immediate social concerns and inaccessible to a large segment of the reading public Late Modernism and the Avant-Garde British Novel Julia Jordan, 2020-03-24 In the decades following the immediately postwar period in Britain a loose grouping of experimental writers that included Alan Burns Christine Brooke Rose B S Johnson and Ann Quin worked against the dominance as they saw it of the realist novel of the literary mainstream Late Modernism and the Avant Garde British Novel reassesses the experimentalism versus realism debates of the period and finds a body of work engaged with rather than merely antagonistic towards the literary culture it sought to renovate Charting these engagements it shows how they have significance not just for our understanding of these decades but for the broader movement of the novel through the century This volume takes some of the claims made about experimental fiction that it is unreadable nonlinear elliptical errant plotless and reimagines these descriptors as historically inscribed tendencies that express the period s investment in the idea of the accidental These novels are interested in the fleeting and the fugitive in discontinuity and shock The experimental novel cultivates an interest in methods of representation that are oblique attempting to conjure the world at an angle or in the rear view mirror by ellipsis or evasion These concepts error indeterminacy uncertainty

accident all bear a relation to that which evades or resists interpretation and meaning Asking what are the wider political ethical and philosophical correlates of this incommensurability Late Modernism and the Avant Garde British Novel reads experimental literature in this light as suffused with anxiety about its adequacy in the light of its status as necessarily imitative and derivative and therefore redolent of the forms of not knowing and uncertainty that mark late modernism more generally

Constructions of 'the Jew' in English Literature and Society Bryan Cheyette,1995-10-26 Combining cultural theory discourse analysis and new historicism with readings of the works of major contemporary authors this study concludes that the Jew is characterized unstereotypically as the embodiment of uncertainty within English literature and society
