

A romantic close-up photograph of a man and a woman. The woman, in the foreground, has dark hair with bangs and is wearing a pink headband and a pink collared shirt. She is looking down and to the left with a soft smile. The man, on the left, has a beard and is looking towards her. The background is blurred, suggesting an outdoor setting. The word "Companion" is written in a white, elegant script across the woman's face.

Misery's Companion:

Misery's Company Leslie Wootton, 2019-07-31 Robert Garin Carlyle never expected his life to take such a dramatic turn. While visiting a friend in Europe, he experiences a violent encounter outside her university. Now Robert is on the run, trying to prove his innocence and find the true killer. He becomes a modern-day pirate as his life-changing journey forces him into the ports of Liverpool, Dublin, Lisbon, and more. He hides his true identity but runs into some bad business while learning the dark secrets of the shipping trade. The murder of Samantha Atwater is the reason for everything Robert has done. He must avenge her death and clear his name. However, when surrounded by evil, some of it rubs off. Robert hopes to eventually be the hero, but he might find new motivation to stay in the shadows and sink deeper into darkness. **Harlot's Moon** Meryl

Taylor, 2019-03-01 This is the most recent in Meryl Taylor's long series of literary offerings since 1987 when she first published *Earthbound* as a tribute to Elizabeth Steinberg, a murdered child from New York City. Proceeds went to the World Hunger Coalition. Since then, *SCRAPS* (1988) with New Horizons in Chula Vista donated funds to Humane Society Brown Mare with Avant Garde in Missouri; gifted WWF Big Trouble on Hog's Back helped Wounded Warriors; and her other works with Xibris aided animal charities across the world. She was widely published in magazines under pen names in the late 70s and won contests with her teachers' help. Writing has been her passion and solace. Now, with her love Charles at her side, she reaches out to those who hurt, need to heal, survive, move on, and grow past life that no longer works. Living in Dayton, Ohio, she writes for adults and children who need to laugh at lives that may not always seem funny. With a freshly minted PhD, she soars into the stratosphere to entertain and enlighten. A mother and grandmother, she sees life as a challenge, a tunnel where that light is no roaring train but an opportunity. To aspiring authors: write, or publish or perish. **The Diamond Mentality**

Tyrone E. Boyce, 2021-08-31 Most people desire a happy, peaceful life. What's the use of being wealthy and having loads of worry and anxiety? You can't really enjoy your wealth. You are robbed of your happiness. To tell you the truth, it doesn't matter if you're rich or poor. You cannot enjoy life and extract all its benefits if you are bogged down with worry and anxiety. Worry and anxiety lead to stress, and stress leads to poor health and a shortened life. This book, *The Diamond Mentality*, teaches you six principles that empower you to move from a life of worry and stress to a life free of those burdens. When someone tries to dump their burdens on you, you'll be able to respond with gratitude and a healthy dose of attitude. Every part of your life is enriched as a result of *The Diamond Mentality*, and you'll be able to embrace joy, peace, and happiness daily. Ending each day with lots of energy for your loved ones and yourself. Whether you're rich, poor, or in between, you can live a good life. You can have *The Diamond Mentality*. **Studies in Sappho and Alcaeus** Kyriakos Tsantsanoglou, 2019-09-23 The poetry of the archaic poets of Lesbos, Sappho and Alcaeus, has been imperfectly and poorly transmitted, either in book fragments or in later ragged papyri, so that new attempts of interpretation will always be required, especially when new research tools and methods have appeared in classical scholarship. The book consists of 14 articles by the author which present and deal with

diverse problems of the two poets of Lesbos Various questions on already transmitted poems different readings reconstructions and interpretations of the new finds are proposed but most importantly new approaches in general topics such as the division of Sappho's work in Books the logic leading to this division the order of these Books the contents of each of them the interpretation of the surviving fragments often quite different than before A feature that characterizes the old age poetry of Sappho is her anxiety about the posthumous fate of her poetry and her hope that Kleis her only daughter will ensure its dissemination Finally the author investigates the communal festival of Hera in Lesbos a festival performed in common with Zeus and Dionysus the so called Lesbian Triad The festival is specified as a welcome to the season of spring at the time of the vernal equinox Also the location of the temenos of Hera is investigated close to Pyrrha of Lesbos which was the site of Alcaeus' second exile
