Ellos,2023-02-16 John Stapleton and Gino Cicarelli two high school students who met at a wrestling competition become friends and begin a journey together that explores John s past and Gino s future aspirations Along the way they come into conflict with traditional religious institutions and eventually end up in the military But this is only the beginning As their friendship grows closer and their lives become more intertwined they face a situation that neither understands and neither knows how to deal with Their opinions on how to remedy the situation differ wildly and result in the first conflict these two young men ever had between them The results of this conflict are devastating

**Preachers and Misfits, Prophets and Thieves** G. Lee Ramsey,2008-01-01 In this compelling book G Lee Ramsey Jr mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today s readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell s *The Convention* and Hazel Motes in Flannery O Connor s *Wise Blood* can help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today s world

**Flannery O'Connor's Religion of the Grotesque** Marshall Bruce Gentry,1986 This volume offers a new assessment of Flannery O Connor s work using a revisionist view of her characters which according to the author critical attention too often and too easily has been labeled grotesque in the past The author maintains that O Connor s stories and novels are usually considered mere dramatizations of her stated orthodox religious commitments According to the predominant view the typical O Connor work consists of a set of corrupt characters and an authoritative narrator who analyzes their theological errors When redemption occurs according to this view it results from forces outside the character and against that character s will The author argues that although such a reading adequately describes a few works it misunderstands O Connor s general handling of narration and of characterization He proposes new positions on O Connor s narration and on the role of the grotesque in her characterization By investigating the nature of religious experience in her works he concludes that O Connor s primary interest is redemption

achieved by grotesque and unconscious means He explains that often in O Connor s works redemption becomes a moment of freedom in a continuing process of degradation and reformation The real focus of O Connor s fiction is the grotesque path toward redemption As he points out by sending themselves toward physical annihilation her characters typically take control of their redemption     *Their father's wrong* Mary Bramston,1894     **Step by Step** Patricia M. Haynes,2020-11-03 From an eccentric musical genius to an escaped convict who ended up Japan Jim Haynes reveals some of Australia s most amazing and sometimes unbelievable true life stories The petty thief who escaped Van Diemen s Land twice stole the government brig and set sail for Japan where by the Shogun s decree all foreigners were to be executed The world s best cricketer a champion of Aboriginal people who invented Aussie Rules survived the worst massacre of white settlers in Australia s history and killed himself with a pair of scissors The eccentric musical genius who played in the greatest concert halls in the world but pushed his favourite piano stool between venues in a wheelbarrow Over the many years Jim Haynes has spent exploring and writing about the quirkier events and people in Australia s history he has discovered characters who have amazed surprised and simply baffled him This is a book about some of those men and women and their remarkable out of the ordinary and almost unbelievable lives As he always does Jim has discovered that there is more to the story than first meets the eye Who knew that the first man hanged in Australia made an artefact now valued at over one million dollars Or that an Australian swimmer was the highest paid act on the American vaudeville circuit and the star of the first million dollar movie ever made And that the father of the first Australian woman to serve in parliament was hanged for murder With a light touch a wry eye and his gifts as a master storyteller Jim shares the tales and adventures of a group of heroic feisty flawed and pioneering characters who have shaped our nation and introduced Australia to the world     *Hygeia* ,1944     **The Judge** ,1917
