New Heavens:

The New Heavens and Earth: Recreation or Renovation? Lee W. Brainard,2022-07-29 One of the most breathtaking prophecies in the Bible is the promise of the new heavens and earth In that glorious day the widespread effects of the fall and the curse will be undone Man will experience unbroken utopian blessing in his eternal home But how will the new heavens and earth come about Will the current heavens and earth cease to exist and be replaced by a second ex nihilo creation as many Bible teachers insist Or will the current earth be refurbished by earthquake and fire from heaven even as the last earth was refurbished by the flood In this volume I present several arguments such as historical precedent the character of God the eternality of the earth and the eternal nature of the kingdom established at the second coming which combine to make a formidable case that the new heavens and earth will be the current heavens and earth refurbished *The New Heaven And The New Earth* Frank Scavone,2011-02 This book Is a prophecy of things to come The intention is to show you what direction God is going And to have you ask yourself are you following God Are you on the right path to salvation This is an informational breakdown of what is happening in the world today and what will happen in the years to come Backed up by facts and figures to show you there is a plan bigger than us and we need to prepare ourselves by accepting Jesus Christ into our hearts so we will move on with God for all eternity Please do yourself a favor and read this book Drink in the knowledge of what the Lord has planned And pass it on to those you hold dear Feel free to leave questions or comments at our email at thenewheaven7 aol com
